Would all singers and dancers who are using a recorded track please see Mr. Goring at lunch today to do one final check on your soundtracks. Also, any performers who are looking for approximate show times also see the list outside the music room at lunch for rough times.

Today we'd like to recognize Nowruz, also known as the Persian New Year. Nowruz marks the beginning of spring and is celebrated by millions of people around the world, including many in our own school community.

Nowruz is a time for **fresh starts, kindness, and hope**. Families often clean their homes, gather with loved ones, and prepare a special table called a *Haft-Seen*, filled with items that symbolize good luck and new beginnings.

To everyone celebrating, we wish you a joyful and bright **Nowruz Mubarak!** May this new season bring happiness, health, and growth.

Track and field-there was a great turn out for sign up yesterday, thank you all for coming out and getting signed up. We will start practices on Tuesday March 31st. Please check the schedule on teams for practice times.
