Saleema Noon: Just came in last week, funds came from PAC donation

Spring Sports: Badminton and Track & Field, QCC (ball hockey tournament), and table tennis tournament with the teachers

Genius Hour: Last session coming up in about a month. Going to use Genius Hour to draw out ability for students to evaluate and assess themselves.

Articulation: Grade 8's moving on to high school and new grade 6's coming in. Students from Como Lake visiting feeder elementary schools over the next couple off weeks. Grade 5's will come for a tour in June.

Teacher Funds: Teachers have been spending their funds on games, musical instruments, lightening adapter (to hook up ipad/devices), treats. They would like to express their thanks for the funds.

Pinnacle Pursuits: Team Building/leadership company. Would visit the school and do something with the whole school. Would be about \$30/head. Would PAC be willing put the funds we usually use for buses for winter activity day towards this event instead?

Student Voice: Recently started a group of students who are working together to look at the school and it's components.
