PRINCIPAL'S MESSAGE

BY MRS. DEVON ROSS

We hope you are doing well and enjoying the beautiful spring weather. It has been a wonderful school year filled with many meaningful learning experiences, and we are looking forward to the numerous year-end opportunities taking place throughout June.

Our May Genius Hour has now come to a close, and the growth and learning demonstrated by our students has been truly impressive. Visiting classrooms and speaking with students, both in school and off-site, was incredibly inspiring. Their enthusiasm was evident as they shared their passion projects and proudly reflected on their learning journey. This work continues to reflect our school's commitment to inquiry, student voice, and authentic learning experiences. Our STEAM Club also wrapped up the year with a fantastic district-wide event hosted by the Coquitlam Public Library and Douglas College. Students in Grades 4-12 from across the district came together to present their inquiry-based learning projects, showcasing innovation, creativity, and problem-solving. In addition, hands-on project-based learning activities including the designing and building of mousetrap cars highlighted students' critical thinking and collaboration skills. These opportunities strongly reflect our school Credo and our commitment to engaging students in meaningful and relevant learning.

This spring has also been an exciting time for extracurricular achievements. We are very proud to celebrate Aaron and Mahek, who both earned Gold Medals at the District Mic'd Up Competition. In athletics, Track and Field, Badminton, and Running Club saw strong participation across all grades, with students demonstrating dedication, perseverance, and school spirit. These programs continue to be an important part of student life at Como Lake.

As shared previously, we would like to sincerely thank all families who participated in our Emergency Release Drill. Practicing these important procedures ensures that students, staff, and families are well prepared in the event of an emergency requiring a school-wide release.

Looking ahead to June, there are many exciting events and activities scheduled. Highlights include:

- **June 8-12:** Camping Week for approximately 90 students, providing valuable outdoor education experiences and opportunities to build independence and teamwork
- **Year-End Team Barbecues:** All teams will participate in a celebration barbecue. As previously shared, fundraising efforts have allowed us to cover all associated costs. Thank you again for your generous support!

Principal's Message Continued on next page....

Principal's Message Continued....

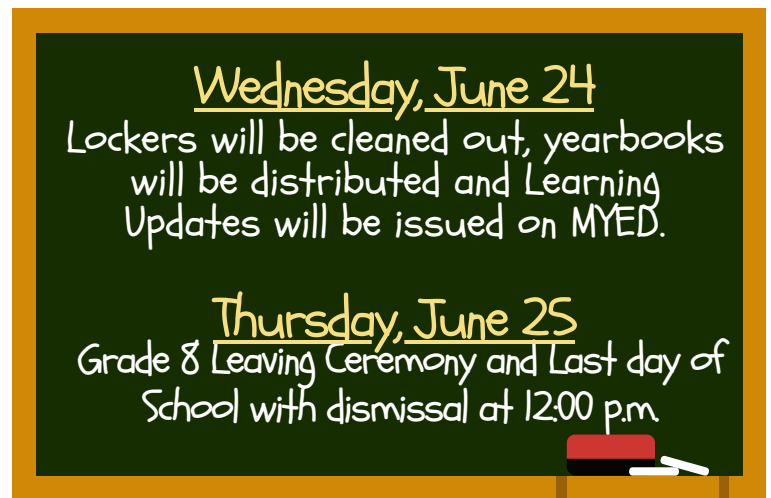

- **June 23:** Year-End Music Concert (daytime performance -time tbd but all families are welcome)
- **June 24:** Year-End Assembly
- **Last Day of School - June 25 (morning only):** Grade 8 Leaving Celebration (Grade 6 and 7 students are welcome to attend). Dismissal for all students at noon.
- Please continue to refer to the school calendar for updates, as it includes ongoing activities such as Running Club, after-school programs, and special events.

As we begin planning for the 2026–2027 school year, we would like to share that Como Lake Middle will have 16 divisions organized into four teams once again: Forest, Mountain, River, and Sky. This team-based structure supports collaboration, relationships, and a strong sense of belonging among students. Our growth next year includes a new division of hockey academy students joining us from across the Lower Mainland in partnership with the Coquitlam Express. We are excited to welcome these students and support both their academic and athletic development.

Please note that, based on a variety of learning considerations, some students may be placed on a different team next year. We greatly appreciate the thoughtful input families provided during the class-building process. When creating balanced classes, we take into account academic, social, and emotional factors, and we work hard to ensure that every student has at least one familiar peer with whom they can learn and thrive.

As always, we encourage families to stay connected through school communication channels. Our website provides helpful resources including the school calendar, bell schedule (8:35 a.m. start; 2:55 p.m. dismissal), student services, clubs, athletics, and PAC information. The Parent Advisory Council (PAC) also plays an important role in supporting school initiatives and fostering a strong school community. Please join us for the AGM on June 2nd at 7 pm at the school library or online via TEAMS: **[Click Here to Join the PAC Meeting.](#)**

Thank you for your continued support and partnership. We look forward to a strong and memorable finish to the school year.

A MESSAGE FROM PAC

As we wrap up another fantastic school year, I want to extend a heartfelt thank you to our entire community. Your generosity—whether through donations, time, or cheering from the sidelines—has directly impacted our students' experience.

Your Impact in Action

We've been busy this year! Here is how we allocated our two primary funds to support student life:

1. BC Gaming Grant Projects These funds are dedicated to extracurricular and community-building activities. This year, we supported:

- **Clubs:** New board games and puzzles for the **Gaming Club** and vital resources/supplies for the STEAM Club.
- **Physical Health:** A refresh of our **sports equipment**.
- **Cultural Arts:** Hosting a memorable performance by professional **drummers**.

2. Community Donations & PAC Fundraisers

These are the funds raised directly by you. This year, they provided:

- **Classroom & Student Support:** Funding for **teachers, EAs, and Youth Workers** to purchase essential supplies and resources for their work with students.
- **Literacy:** Expanded our **library collection** with a variety of new books.
- **Milestones:** Funding for the Grade 8 Leaving Ceremony, ensuring our students have a proper send-off as they prepare for next steps at high school!

Looking Ahead: Join the Team!

To keep this momentum going, we are looking for fresh voices to join us for the upcoming school year. We are currently recruiting for:

- **Executive Members:** Help lead our strategy and decision-making. Chair, Treasurer, Secretary and DPAC Rep are required positions to apply for the annual Gaming Grant.
- **Members-at-Large:** Join the conversation and help with specific projects as your schedule allows.

Whether you have an hour a month or an hour a week, your perspective is valuable. It's a rewarding way to stay connected to your child's education and meet fellow parents.

Interested? Please reach out to us at comolakemiddlepac@gmail.com or join us at our final meeting and AGM.
