Code of Conduct 2016-2017

ECOLE COQUITLAM RIVER ELEMENTARY

All schools in School District 43 are required to have a Code of Conduct that addresses the values of the community and addresses the need for safety and respect.

Introduction to our Code of Conduct

At CRE, all members of our school community (students, parents, and staff) greatly value a safe and respectful learning environment. We share the goal of encouraging socially responsible behaviours that contribute positively to the school community, to solve problems in a peaceful way, and to value diversity and defend human rights. Co-

quitlam River Elementary School's Code of Conduct outlines school expectations and acceptable student behaviours as directed by the School Act 85 (2 c).

As per School District Policy 17, our Code of Conduct aligns with the School District's Code of Conduct and British Columbia's Human Rights Code.

Process:

Staff, parents and students have various opportunities to be involved in the development of our Code of Conduct. The Principal collaborates with staff and parents at points throughout the school year to refine and discuss the Code. The Principal and staff explain the Code to all students and are receptive to their feedback. Experiences throughout the school year help shape future revisions of the Code so that it closely aligns with our student culture, strengths and needs.

Our Code of Conduct was established in 2005 and is reviewed annually.

Communication

A variety of methods are used to convey our Code of Conduct to the school community:

- Email Updates
- School Planner Handbook
- On-line form re: School Policies
- RAPIDS program (see description below) taught explicitly to all students during the first week of September
- Class/School Meetings
- Poster of RAPIDS conduct expectations painted on wall in school atrium and posted in each classroom
- School Website
- Monthly emails to all parents about upcoming events and expectations
- Parent interviews with principal if subject involves discipline or behaviour issues
- PA announcements
- Provide new staff, students and their families with our Code of Conduct when they begin attending our school

Playground behaviour also falls under our Code of Conduct.

Our Code of Conduct also applies to students when they attend field trips and district events.

Implementation

In 2016-17 we will continue our work with our socio-emotional learning goal which will provide a context for implementing and reinforcing our Code. For example, students will receive the MindUP program, and Mood Meter training. Students learn about managing their responses to difficult situations or conflicts with others.

Implementation also includes:
 - RAPIDS days in the first week of school every Septem-

- ber
- Personal Planning Program: e.g. MindUP, Mood Meter, iBoy and iGirl, Kids in the Know...
- Monthly RAPIDS Recognition Assemblies
- All staff, teachers and support staff, are able to award a STAR ticket to any student meeting our expectations.

Alignment

CRE's Code of Conduct aligns with:
 Coquitlam School District's Code of Conduct Policy 17.
 Human Rights Code of British Columbia

Monitoring and Review

Parent on-line Surveys are completed periodically.
 Grade 4 Satisfaction Surveys and MDI surveys also provide useful feedback.
 In January 2012 a special on-line survey measured parents' satisfaction with various aspects of the school's functioning. A key finding in this survey showed that parents greatly value the cultivation of social

responsibility and good citizenship among children at CRE.
 The Code of Conduct is reviewed annually by staff and School Planning Council
 The RAPIDS bulletin board displays the number of students being awarded .
 Teachers continually review Code of Conduct expectations with students

Specific sections of The Code of Conduct are reviewed as needed with students during Collaborative Times with the school administrator.

- Disciplinary actions are consistent, fair and meaningful to help students learn to make

better choices for themselves in the future

- Consequences and support will be preventative, restorative, and designed to educate the developing child
- Special considerations may apply to the imposition of consequences on a student with special needs if the student is unable to comply with this Code of Conduct, due to

a disability of an intellectual, physical, sensory, emotional or behavioural nature.

- School staff and the school board will take all reasonable steps to prevent retaliation by a person against a student who has made a complaint of a breach of a code of conduct.
