

## Active Morning Club

Our Breakfast/Good morning club will be new and improved!

The CRE PAC recently issued a survey to determine student needs around before the bell supervision. We will now be offering an Active Morning Club to registered students. It is important that you read the following information to inform yourself of the process to sign your child up for the program in order to ensure everyone's safety.

This program will only work so long as there are volunteers to ensure its operation. It will be run as a cooperative. If you would like your child to attend, you must sign up for a minimum of 1 day a month to supervise. More volunteerism is certainly encouraged! ***You will need to complete a criminal record check submitted to the main office in order to volunteer.***

**Time:** 8:20-first bell

**Location:** gym

**Activities:** active play with sports equipment in the gym will be supervised by parent volunteers

**Maximum participants:** 15 per day

**Registration process:** you must register your child for the **online ordering system**. Each Monday, sign up will open for the following week. Sign up will close by Friday for the following Monday to Friday period. This will allow for equal access to the service. Volunteers can sign up through this system as well as a check box under each order date will be made available if volunteers are needed to fill a given spot.

Once the maximum of 15 registrants is reached, sign up will close for that date. If there is a cancellation, you may still get a spot so be sure to check back often.

### **Terms and conditions:**

- Your registration is your consent for your child to participate each day they are signed up.
- If your child cannot attend on a day they are registered, please cancel your registration prior to the start time or notify the program coordinator otherwise we will be expecting your child to attend and will follow up to confirm their whereabouts.
- You must explain to your child that, for their safety, once they enter the Active Morning Club they may not leave until the bell rings. They must notify the parent volunteer if they need to leave for any reason (e.g. to use the washroom).
- You will be contacted at the email or phone number provided in your registration if the parent volunteer is unable to attend due to unforeseen circumstances and no alternate is available.
- If you drop your child off at the door without accompanying them to the Club, beware that you assume any risk that the parent volunteer may not be in attendance and your child will be unsupervised prior to the first school bell.
- There will be no fee for this service.
- A nutritious snack will be provided at no charge.
- You must inform the coordinator if your child has any food/other allergies or medical conditions they may need to be aware of. This information will be kept confidential.
