And so it ends...

As January wends its way to a close, so too does my tenure at Coquitlam River Elementary.

It is a unique experience to enter a school in the throes of the pandemic (remember that?), watching as the *littlest* of our learners have grown into the *leaders* of our learners. It has been amazing to watch as my first set of kindergartners have grown into the grade 5's who will soon venture off into middle school.

I want to say thank you to the wonderful staff with whom I have been privileged to share this workplace over the past five and a half years. In my more than thirty years in public education, this is one of the most caring, dedicated group of educators I have experienced.

Thank you to the community of families who were most welcoming and trust us with their kids each day, and especially to the members of the Parent Advisory Council, who work so hard to raise funds to support making this the best school it can be, and to provide events to foster and grow community connections.

My last day will be Thursday, January 29th. Ms. Nicole Bourbonnais will take the helm beginning Monday, February 2nd. We have had many conversations to plan the transition, and I know I am leaving this incredible school community in great hands.

I wish you, your children, and your families all the very best.

David

Look for the button to download registration documents. It looks like this:

Click Here to Download New Student Registration Form

The registration form and required documents can be emailed to the school at CoquitlamRiver@sd43.bc.ca between February 2-5, 2026.

If you are interested in a Cross Catchment application to a school *outside* your regular catchment school, the process for applications is open from February 6 – 11. You can find more information on the school district's [cross catchment page](#) here:

<https://www.sd43.bc.ca/Schools/Pages/CrossCatchment.aspx#/=>

The banner features a blue background with white and yellow text. At the top left is a red megaphone icon with the words 'COMING SOON' in white. The main title 'Cross Catchment Applications for September 2026 Entry' is in large white font. Below this, two horizontal bars indicate key dates: 'FEBRUARY 6 Cross Catchment Applications OPEN at 9 AM' and 'FEBRUARY 11 Cross Catchment Applications CLOSE at 4 PM'. To the right of these bars is an illustration of a signpost with two green directional signs: 'OLD SCHOOL' pointing left and 'NEW SCHOOL' pointing right. At the bottom left, a laptop icon is next to the text 'APPLY ONLINE! Look for the link to the application form on the FRONT PAGE of www.sd43.bc.ca'. At the bottom right, a white box contains the text: 'For students who wish to transfer to another school that is not their neighbourhood catchment school'.

How much screen time...

...is *too* much, especially in the early years of development? Recent studies are showing concrete, conclusive evidence of the impact of screen time on learning and development. See [this recent article](#) for more information:
