Friday is PJ Day – Drive for Jams

Hello Coquitlam River Families,

Ms. Acorn and I would love your support to help a foundation that we volunteer with.

On Friday Nov. 20th we are having a Pajama Day to raise funds to support the West Coast Kids Cancer Foundation with their pajama drive. This will be the second year that they donate new pajamas to children and their families at BC Children’s Hospital and Surrey Memorial Hospital. Please have your child bring in a toonie or any amount that you are happy to donate and on Friday we will celebrate with a special Pajama Day. I will be using the money to buy pajamas to donate and all extra money will be donated to support the rest of West Coast Kids Cancer Foundation’s amazing work.

If you would like more information about WCK then please visit <https://www.wckfoundation.ca/>

Warm Regards,

Cathie Westlands (CRE Education Assistant)

COVID-19 Protocol Reminders

In today's public health press conference, chief medical officer Dr. Bonnie Henry reiterated the importance of not lingering at schools during pick up and drop off, and the importance of keeping physically distanced and masks when encountering families and students from other classes and learning groups.

Please ensure that you are leaving the school grounds as quickly as possible at the end of the day.

Your continued support of our protocols is vital to ensuring we can keep our schools safe and open.
