Cross Catchment Application and Kindergarten Registration for the 2021-2022 school year starting in September 2021 occurs soon. Read the school and program registration information below for more details.

Cross Catchment Application Process 2021–2022

Parents sometimes wish for their children to attend a school that is not their catchment school. In such cases, a Cross Catchment Application is required after registering at their catchment school. School District 43 uses a random draw process for Cross Catchment Applications (using in-district priority, then out-of-district).

If enrolment projections show that space is available, Cross Catchment transfer Applications will be accepted in accordance with the following priorities: (i) sibling of a child who will be in attendance at the Cross Catchment school in the following year; (ii) a child residing within the SD43 residential boundaries (could include private or homeschool) and (iii) non-school district resident child.

The [School Locator](#) tool on our website provides a student's designated catchment area school.

All Kindergarten students must be registered for Kindergarten at their catchment school between January 27 and February 4, 2021 using the online form on their catchment school website. Cross Catchment Applications may only be completed after registration at catchment schools.

Grades 1-12 students, who have a sibling at a school outside their catchment, will be accepted at the sibling's school (provided the sibling will be in attendance when the student begins at the out-of-catchment school). Parents still need to complete the Cross Catchment Application confirming sibling status.

Kindergarten students who have a sibling at a school outside their catchment will be accepted at the sibling's school (provided the sibling will still be in attendance the following school year) and are requested to register for their sibling's school between January 27 and February 4, 2021. Therefore, Kindergarten parents do not need to fill out a Cross Catchment Application verifying sibling status. The exception to this is for a Program of Choice. Parents must complete the online Kindergarten Programs of Choice Application for siblings to attend the same program. Kindergarten children with siblings in a Program of Choice must still apply online.

HOW CAN I APPLY FOR CROSS CATCHMENT?

Cross Catchment Application forms can be accessed online at www.sd43.bc.ca between Friday, February 5, 2021, 9 a.m. to Wednesday, February 10, 2021, 4 p.m.

Smiling Creek Elementary School will only consider Cross Catchment Applications from families in the Leigh Elementary School catchment area who reside east of Kingston Street & North of David Avenue.
