Student Learning Survey – Parent Version

Each year, the BC Ministry of Education administers a *Student Learning Survey* to students in grades 4, 7, 10, and 12. The survey is used to gather information about students' experience in the BC education system to help the Ministry plan for future years.

The Ministry also seeks input from parents of students in grades 4 (at elementary) and that's where you come in. We invite you to participate in this anonymous, online survey by following the link below:

<https://www.awinfosys.com/SurveyFull1/central/main/access.asp>

You will be taken to a logon page. Please go to the *Parents* portion of the page. There are two options: you will complete the *Direct Access* portion – no logon number is required. Simply use the drop down menu to select District 43 Coquitlam. Once you have selected the district, a drop down menu will allow you to select Ecole Coquitlam River Elementary. Your feedback is appreciated before April 30.

Join us in celebrating the Teachers and Staff of Coquitlam River Elementary!
