

## School Supplies Grades 4 & 5 for September 2025

As a convenience for families of students going into grades 4 & 5 for the 2025 2026 school year we have partnered with Teacher's File a company that will ship your child's supplies directly to the school. In previous years we used Creative Children – this company has since closed (owner's retired). We bulk order our supplies for Grades K – 3 and charge families for these supplies in September. If you are interested in ordering your child's supplies through this company, please click on the link [for the grade 4-5](#) supply order.
