

## **Eagle Ridge Elementary PAC - Executive Board Meeting**

February 19, 2024

Online – Zoom

7:00pm

**Present:** Darcy Bergsma, Joanne Breckenridge, Nicole Coatta, Erin Davis (minute taker), Leah Dixon, Jenn Green, Jen Husband, Tara Lyons (Chair), Jen Short

PAC Executive met to discuss the ongoing concern from admin and teachers concerning the December PAC minutes wording about racism incidents at the school (as discussed during the DPAC report in the December PAC meeting).

- PAC Executive were informed about the concerns that were brought to the PAC President by Teachers and Administration
- Meetings and emails that have occurred since the January PAC meeting between PAC Executive and Teachers/Administration and DPAC were debriefed

It was noted that the in-person meeting in November resulted in a good turnout of parents and that it brought out additional parents that otherwise do not attend the online meetings.

The first “Coffee with PAC” was successful and had a great turnout.

It was noted that in the December PAC Minutes, Tara Lyons was not recorded as being present and Chair. We will add a motion to the February agenda to amend the minutes.

Meeting adjourned at 8:19pm.
