Fall Fun Night 2010 – Volunteers Needed

We are organizing a Fall Fun Night for Friday, October 29 from 6:00pm – 9:00pm and we need your help! This event requires a tremendous amount of support from volunteers to be successful and we are hoping that you are able to help out by volunteering for the following: setup, admissions, concessions, games, clean-up, baking cakes and/or cupcakes for the Cake Walk.

We would also like to ask if someone has the following items that we may borrow for the event: 8-10 strings of white mini LED lights, 1 small kiddie pool, 2 medium/large aquariums, 2-3 baby bathtubs, 2 white lab coats, 1 black light. All items will be returned after the event.

Ten Halloween Safety Tips from the Canadian Safety Council

1. Children should be accompanied by an adult.
2. Children should wear clothing that can easily be seen at night. Retro-reflective materials are best.
3. Children should trick or treat in one well-known area and not wander into unknown neighborhoods.
4. All candy should be inspected by an adult to make sure that no one has tampered with it. If it looks suspicious, the police should be contacted.
5. Children should avoid stray animals.
6. Children should wear masks that do not interfere with vision. Better yet, they can avoid masks by wearing makeup.
7. Children should watch for moving vehicles when crossing streets.
8. Costumes should be short enough that the child will not trip.
9. Trick or treaters should dress appropriately for the weather and carry a flashlight.
10. For extra safety, organize a Halloween party for children in your neighborhood.
