Principally Speaking

We made it to Spring Break! This past term seemed to fly by. We are all looking forward to some rest, and fun things in April such as Kilometer Club, Track and Field, Como Lake Relays, and Student Led Conferences.

This past week we had an earthquake drill. I was highly impressed with how well the students did, remaining calm, quiet, and listening to the adults. We know that these drills can cause anxiety for some of our students, but I encourage you to talk with them about how it's important to practice so we know what to do 'just in case.' We will practice some of our other drills after spring break.

Learning Updates will be published on MyEd some time today, and they will remain available for viewing and download until July 31st. I always like to remind families that it is a snapshot of your child's progress and development at this moment, and there are always successes to be celebrated. I continued to be impressed every day with the ethic of care shown by all the staff at Glenayre for our students.

Wishing you all a wonderful Spring Break!

Ms. A. Johnson, Principal
