Principally Speaking

Hello Glenayre families,

Spring Track season is in full swing for our Grades 3s, 4s and 5s. Students did a wonderful job representing our school at the Como Lake Relays yesterday. Later in May we have the district track meet to look forward to, and we try to send as many students as possible to this event.

At this time of year, we begin to turn our focus towards planning for next year. While we expect our enrolment to remain relatively stable for next year, we will not have teaching and classroom assignments finalized until the beginning of September, as things can change over the summer.

School staff put much careful thought into student placement and organizing classes. We ask that you trust that we as a staff have the best interest of every student at heart when we create our classes. Please note that specific requests from parents to either have, or not have, a specific teacher next year cannot be guaranteed or honoured. We are a large school, and even so, there are often only 2 places (and possibly only 1 place) a student in a particular grade can go. Thank you for trusting us and our professional judgement to create balanced classes that conform to ministry standards.

Have a wonderful weekend.
Ms. A. Wilcox, Principal

The "Seed to Flower" Pose

This is a simple mindful movement (yoga-based) activity:

The Seed: Start in a tiny ball on the floor (Child's Pose). Breathe deeply and imagine being safe and quiet in the soil.

The Sprout: Slowly start to "grow" by reaching hands out in front.

The Bloom: Slowly stand up, reaching arms high toward the "sun," wiggling fingers like petals in the breeze.
