Being a Good Neighbour

Something that the Glenayre staff work on with our students is the concept of being a good neighbour/community member.

This looks like:

- Not littering on school grounds or in the community
- Politely greeting guests in our school
- Not throwing things into neighbours yards and respecting their property
- Keeping our outside water drain grates clear so we don't cause floods
- Respecting nature on school grounds and in the community

I receive emails and phone calls from community members from time to time commenting on traffic, parking, and speed of vehicles. Therefore, I need to ask our families to also 'be good neighbours' in this community.

This looks like:

- Respecting the speed limit of 30km/hr both in the school zone and on community streets
- NOT parking in the drive through loop at pick up and drop off. There are multiple signs saying 'No Parking, drop off only' that are routinely ignored. This backs up traffic on Glencoe drive while people wait to drop off. The drive thru loop is a 'KISS AND GO' only. If you need to walk your child to their line up spot, you need to find parking off site
- NOT parking on a street where you block a neighbour's driveway
- NOT parking in our staff parking lot. We need all those spots to accommodate the number of people we have on staff on any given day

Have a great weekend.

Bumblebee Breath

Sit comfortably and close your eyes. Inhale slowly through the nose, and as you exhale, make a low "mmm" humming sound like a bumblebee. This creates a calming vibration in the body.
