Principally Speaking

Hello Glenayre families,

It appears as though the construction on Glencoe in front of our school has moved up Garrow. Therefore, our drive thru loop and parking lot entrance and exit are functioning as normal (and are one way only). Thank you for your patience.

Our Grade 5s had an excellent experience at Sasamat this week and got to visit middle school yesterday. Students also got to experience 'Poultry on Wheels' on Tuesday. I so appreciate all the organization on the part of our teachers to make these experiences happen for our students.

As I write this, our amazing PAC volunteers are working hard to prep and set up for our Spring Carnival. I have fond memories of attending with my own children in years past. Community events like these are an important part of what makes our school special and gives us a chance to connect and have fun. A huge shout out to all the parents volunteering their time today.

Have a wonderful weekend.

Ms. A. Johnson, Principal

Mrs. Silvester is looking for help to go through the bookshelves and put books back in alphabetical order after a year of many hands moving things around. If you are free Tuesday, June 17 or Thursday June 19 (thinking anytime between 12:40-2:40) please email her at:
