Congrats to our Grade 5's.

Today's ceremony was a special time for the students and their families. A reminder not to post photos of students (other than your own child) on social media whose parents have not consented. Thank you!

We are approaching the end of the school year. It has been a great month of June so far, and the weather has also cooperated with some warmth and sun! This coming week, let's take a moment to thank all the staff and PAC members who support the school each and every day. We are so appreciative to work and live in this great community. I will personally miss working here after this school year comes to an end.

Please take note of the schedule for the last week of classes, and the publishing date for final learning updates which is Thursday, June 25.

Next week: Please encourage your child to take all of their possessions home and clear out their cubby as much as possible. Clothing is often the easiest thing to forget.

Enjoy the weather, everyone!
Mr J. Bruneau
Acting Principal

Welcome to Counsellor's Corner- your one stop shop to stay up to date about community events and workshops which support mental health. Every week I will share an emotional regulation tool.

Wow, I can't believe that I am already writing the final segment of counsellor's corner for the year. I hope that throughout this year you were able to find at least one strategy to make life's stressors a little easier to manage. Enjoy your summer

Beach Sensory Exercise

Take some time at the beach to really tune in to your surroundings. Stand at the water's edge. What does the sand feel like beneath your toes? What is the sensation of the water coming over your feet? Do you feel warmth or coolness? What does the breeze feel like against your skin? Do you smell ocean or lake? Take it all in and just sit with it.

Family Smart Workshops

PLEASE RETURN LOST BOOKS

As the school year is winding down we are asking for your help in returning any library books that may be hiding around your house. Overdue notices for any missing books have been sent home during the past few weeks. Could you please help your child (children) find and return any books belonging to Glenayre Elementary. Fine notices for lost or damaged books will be sent home June 23 or 24 and Ms. Gormann will make this payable using your school cash online account. Thank you for your help!!!

A **HUGE** thank you to Port Moody Public Library for coming in all this week to talk to the kids about this year's summer reading Club. The children had the opportunity to sign up here at school. All the information needed is in the envelope they were given. If they were away you are still able to go down to the library and sign up. We were also presented with another trophy for having the most students sign up to read last summer – our 4th year in a row! Going for 5!!!

This summer, families at our school can save on summer camps while also supporting our PAC!

Use the code PAC20 when registering for any eligible camp week and receive \$20 off your child's registration. For every use of the code, our PAC will also receive a \$20 donation at the end of the summer.

For example, if 100 camp weeks are booked using the code, families would save a total of \$2,000 and our PAC would receive a \$2,000 donation. Donations will be sent to the school PAC by e-transfer in September.

The code can be used multiple times for:

- Multiple camp weeks
- Multiple siblings

Eligible camps include:

- Seaview Community School Camp
- Reel Adventures: Tri-Cities Camp
- Kids Only: Port Moody Camp

The discount applies to full camp weeks, including:

- 5-day weeks (Monday–Friday)
- 4-day weeks (June 29–July 3 and August 4–7)

To use the code:

1. Register online
2. Enter the code **PAC20** in the discount section
3. Include your child's school name on the registration form

These non-profit camps focus on outdoor play, nature exploration, kindness, creativity, and building friendships. Camp activities may include trips to beaches, parks, playgrounds, pools, and other fun local spots.

A new Kids Only: Port Moody Camp is available this summer for children in Kindergarten to Grade 2. Planned outings may include White Pine Beach, Rocky Point Spray Park, Old Orchard Park Beach, and other local parks and playgrounds. Indoor activities are planned for days with heavy rain or wildfire smoke.

Camp locations change daily depending on the outing, and families will meet and pick up near the outing location each day.

More information and registration can be found here:
