Principally Speaking

Hello Glenayre families,

Your child's interim report will come home next week. This will be your first 'snapshot' into how the year is progressing. We have 5 reporting instances throughout the year – 3 written learning updates (report cards), and interim report in the fall, and Student Led Conferences in the spring. That being said, communication is ideally happening on a regular basis. If you have questions about, or need to have a discussion about your child, contacting the teacher through email to set up an appointment is best.

A couple of housekeeping reminders:

- If you arrive late to school, please come to the office and sign in. Please don't bring your child directly to the classroom
- If you have to drop something off for your child, please bring it to the office. Want to give it to your child directly? No problem, we will call them down to meet you at the office

Remembrance Day is on the horizon, and we have begun planning our assembly. Remembrance Day is a deeply personal time for me, as I remember my grandfather who served in the British Army (as a Newfoundlander) in the Second World War. Part of our 'Glenayre Remembers' assembly will feature a slide show. If you have a family member who served that you would like to see remembered as part of our slide show, please email me (awilcox@sd43.bc.ca) a photo and a bit of their story and we will include them in our Remembrance.

Glenayre is currently looking to fill a noon hour supervisor position. Please see further information below if you are interested.

Have a great weekend,
Ms. A. Wilcox, Principal

SD43 Employment Opportunity NOON HOUR SUPERVISORS FOR SD43

Mindful Moment: Tense and Release

Often when we worry the tension is felt not only in our minds but also our bodies. By intentionally tensing up we can work on relaxing the unpleasant physical symptoms we feel in our bodies. Begin at your toes- curl them in and then release. Move up to your calves. Clench your muscles and then relax. Move upwards through your legs, torso, arms, neck and head, tensing each body part and then releasing. Finally, tense your whole body and release.

How do you feel?
