Principally Speaking

The Week That Was

It was another busy week at Glenayre.

1. It was once again fantastic to see several incoming Kindergarten families at our virtual meeting on Monday, June 6th.
2. Despite the large quantities of rain, students had a great opportunity to interact with all things nature at Grouse Mountain this past Thursday.
3. Physical Education Program. All classes got a chance to enjoy an enthusiastic community leader who taught all Glenayre students the game of tennis. I had the pleasure of joining for a few classes and it was awesome!
4. Family (Parent) Portal. All families received emails regarding how to log into the system, create an account, etc. Those families who have yet to create their own log in information after receiving an autogenerated password for the Family (Parent) Portal will receive another reminder email today. A few reminders.
 - a. Complete the first log in experience on a computer and NOT a mobile device
 - b. Password standards = minimum 8 digits, at least 1 number, letter, capital, and 1 special character.
 - c. Use the "I forgot my password" option if you have failed to log in 3x in a row. Accounts are disabled after five (5) failed attempts.
 - d. This is a Ministry system and as such parents are required to reset their password every 90 days for security and privacy purposes.

Looking Forward

Marvelous Monday Fun Day – Monday, June 13th – An Update

On Monday, June 13th, Glenayre will have a school-wide hot dog day while classes take part in a Tug-of-War event. Key highlights.

1. The event will start at 12:30. Each child will get a hot dog and a bag of chips. Please pack your child a light lunch if you feel a hot dog and chips will only partially fill the hunger pangs.
2. Tug-of-War event will take place on the large grass field.
3. The event will be over between 2 and 2:15pm.
4. Rainy weather plan. We will go ahead with the hot dog distribution regardless of the rain, unless the rain is torrential. I will email all families with an update on Sunday evening based on the most likely weather pattern.

The purpose of the event is to bring a little fun and light-heartedness to the day, while letting kids enjoy the sunshine and cheering on their friends and classmates.

Grade 5 Leaving Ceremony – Friday, June 24th. 1-2:30. Doors open @ 12:30pm

Attention Grade 5 Families. Our Grade 5 Leaving Ceremony Organizing Committee has finalized the attendance details associated with this event. An official overview will be sent to all Grade 5 families the week of June 13th.

Attendance Protocols

1. All Grade 5 students will be in attendance together for the Grade 5 Leaving Ceremony.
2. Grade 4 students will be part of the audience for this event.
3. Each Grade 5 student will be able to have (2) adults in attendance. If there are extenuating circumstances where a family feels (2) family members in attendance is not enough, please email or phone Mr. Lloyd directly.

Lost and Found Articles – Thursday, June 23rd

We will have the items outside the main front doors on tables until 11:30am. Come and find your children's missing clothing and other assorted items.

Have a great weekend,

Andrew

Welcome to the Counsellor's Corner, your place for resources, upcoming events/workshops and weekly mindful moments (short activities to do at home to foster mental health).

Mindful Moment

An Appreciation Practice for Children

Leading the game:

1. Ask your child: "Do you ever feel disappointed by something or someone?"
2. Ask: "How did that make you feel?"
Acknowledge their feelings and, if appropriate, talk about them.
3. Say something like: "I bet even when you're feeling disappointed there are good things happening in your life, too. Let's name three good things together."

Tips for naming three good things:

1. Remind your child that the point of this game *isn't* to pretend they're not upset when they feel upset. It's to remember that they can feel two things at once: they can feel grateful for good things while feeling sad, hurt, or disappointed by challenges.
2. If children or teens have trouble thinking of three good things on their own, brainstorm and help them discover some.
3. When kids understand that this game is not about sweeping their feelings under the rug, the phrase "three good things" can become a playful and humorous response to the minor gripes that show up in family life.
4. Parents can encourage kids to remind them to name *Three Good Things* when they're stuck on a trivial disappointment or minor annoyance, too.
5. To develop a habit of thankfulness, play *Three Good Things* around the dinner table, before bedtime, and at other times when the family is together.

NEW PAC PRESIDENT NEEDED- ASAP

We need a NEW PAC PRESIDENT! It is not as scary as it sounds... you get to be involved in your child's school and get to know the staff and students! All information from past events is organized and ready to go! Plus we have a great team and Vice President that is here to help as needed!

We have had NO interest in this position!

Without a PAC Executive TEAM, our PAC cannot go forward which means loss of fundraising, grants and events. We need to have our executive team voted in at the AGM on June 13th in order to apply for our gaming grant.
