**Principal’s Message:**

We are quickly coming up to our mid-semester reporting time. Report cards will be going home with students on Thursday, April 29th. Please take time to review this report with your son or daughter and help them to reflect on what contributes to their successful learning. It is important that, as the warm weather arrives, students are attending classes and are committed to focusing on their work. This is especially vital for our Grade 12 students who, quite naturally, are looking forward to the graduation celebrations but who also must keep their focus firmly on classroom achievement. As well, with Grad Transitions being mandatory for graduation, Grade 12 students need to ensure that they have completed the required assignments and have signed up for their exit interview which takes place on April 23.

In addition to the active engagement and learning taking place in the classroom, I continue to be impressed with the energy, commitment and talent at Gleneagle. The school’s positive spirit was most evident in such recent events as the well-organized and highly successful Spirit Assembly, Autism Awareness Day, the COAST bike and hiking trip, lunch-time intramurals, Athletics’ badminton and rugby games, the Student Council elections and last Friday’s Me-To-We Coffee House. With all the talent our students show, the upcoming performance of *Shrek: the Musical* is an event you won’t want to miss!

**S Trip and Breakaway Tours 2015-2016 Trips Abroad**

Some of you may be aware of a Grad/high school student trips planned for around the Winter Vacation and for Spring Break 2016, by companies called S-Trip and Breakaway Tours. These are NOT Gleneagle school trips, and they have no affiliation with the school whatsoever.

Sales representatives from the company contact students in the schools to recruit their classmates for these trips. Often the recruitment happens at school or on Facebook, Twitter, etc. We do not sanction or allow these meetings to occur at school, and are concerned that some of our graduates go on these trips. We are also concerned that some students represent the nature of this trip to their parents as school sanctioned. Again, this is not the case.

In past trips of this sort, groups of high school students from the Tri-Cities went on these trips, and we know that there was little or no adult supervision on site, and that alcohol consumption among, other things, was rampant. In one case, a few students in the Dominican Republic contracted viral meningitis and over the years we have had several stories about very irresponsible behavior by students.

We know that if our children were considering such a trip, we would want to make an informed decision about whether they should go or not. We see it our duty to look after the well-being of our students at all times.

We would suggest that should your child show interest in going on the trip, that you have a very frank conversation about its nature, and that you thoroughly research the proposal before deciding. And please remember that all Gleneagle school trips would have my and District approval, and that you would have staff members in charge of your children, and communication directly from the school, always with a parent meeting attached. Furthermore, the school would receive and manage all monies pertaining to the trips.
Graduation Transitions
Grade 12 Graduation Transitions exit interviews are scheduled for Thursday, April 23rd. Students will be notified of their assigned time and room. The list will be posted in the Counselling area windows. Interviews will take place during the normal school day.

Graduation Transitions guidelines are listed on the GT site under the “Exit Interview” tab (top left corner of the page).

***students who have completed 0 of the 7 GT assignments will not be allowed to do their Exit Interview on April 23rd and will have to arrange a later date with Ms. Horvath, once sufficient progress is made on their assignments.

Both the GT assignments and the exit interview MUST be complete to obtain the 4 required GT credits for graduation. As well, both parts of GT must be complete for students to buy their Grad Dinner and Dance tickets.

Please email Ms. Horvath (jhorvath@sd43.bc.ca) if you have any questions.

DPA
Grade 9, 10 & 11s should be updating their Daily Physical Activity (DPA) entries on the GT website. A final assessment will be done in early June and included in the June report card. Please email Ms. Horvath (jhorvath@sd43.bc.ca) if you have any questions.

On April 23rd, Jesse Miller from Mediated Reality will be presenting to grade 9-11 students on the topic of social media education and awareness. Please email Ms. Horvath (jhorvath@sd43.bc.ca) if you have any questions or visit his website (www.mediatedreality.com) for more information.

However, it turns out that to ultimately succeed, Shrek must battle an even bigger obstacle: learning how to believe in himself & open his heart to others. This show promises to be one of the most elaborate and exciting shows yet on the Gleneagle stage! More show and ticket information is available on the school website at www.gleneagle.org. Tickets are available for purchase at the main office and are $15 for adults, $8 for seniors and students, and kids under 5 yrs. old are free! Seating is first come, first served. But this year we will be having a raffle at the start of every show for ‘best seats in the house.’ So be sure to bring cash for the raffle and for the concession! It will surely be a fun way to spend a night out with the family and support the passionate and talented Gleneagle Musical Theatre and Theatre Production students. Don’t miss it!!

PAC News

PAC - Are you missing out?

I know that you as the parents of the over 1200 students at Gleneagle are all very interested in what goes on at the school - this is easy to see based on attendance at parent-teacher evenings.

Unfortunately, only a dozen parents or so regularly attend the PAC meetings. You should know that these are not the same as the PAC meetings you may remember from elementary or middle school - there are no endless discussions about playgrounds or fundraisers!

PAC meetings at Gleneagle really are all about intelligent adult discussions between parents and school administration. We as parents get a very good feel about what is going on at Gleneagle, and in some ways we can have a positive effect on the school as well. For example: annually we work with administration to distribute the over $20,000 that comes in from the province’s gaming grant (no fundraising required!). This grant money in one way or another touches almost every student at the school, from athletics and team sports, to music and drama, to outdoor activities, extra-curriculars, intra-murals, clubs, and so on. In many ways we can help the teachers who do so much for the students in and outside of school.

We know you are very interested in what happens at Gleneagle, so we’d really like you to join us in our next monthly conversation between involved parents and the school administration. Wednesday, May 20th at 7PM in the school library is the last PAC meeting of the year. We’d really like your input!

TRI-CITY CHALLENGER BASEBALL

The Tri-City Challenger Little League Association offers a baseball program specially designed for youth of the Tri-Cities area with physical, developmental or intellectual disabilities. Our program provides them with an opportunity to enjoy the full benefits of Little League participation in a fun, safe, non-competitive format and at a level structured to their abilities. Aside from the physical benefits that come with playing a sport, the Challenger program gives children with disabilities the opportunity to be part of a team, to develop their social skills and friendships, as well as build their self-esteem and confidence. That, of course, is why we put them in the spotlight, play at Coquitlam’s premier fields, have P.A. introductions, lively music, hotdogs after each game, individual and team photographs, wind-up parties, and occasional road trips just like the players in the competitive baseball program enjoy. "Buddies" assist the Challengers run the bases, catch, throw, push wheelchairs, etc. Last year, we had almost 100 players, all outfitted with uniforms matching those used in the competitive baseball program. We play our games at 10:30 am on Saturdays at Town Centre Park (North Stadium) and at 6 pm on Tuesdays at Coquitlam’s Mackin Yard (Brunette Avenue between Nelson & King Edward). Players are not required to come to every session, just when they feel like it. Our first game is on Saturday, April 4th at Town Centre Park (North Stadium) at 10:30 am.

New players are always welcome. The registration fee is $65 and there is a hardship fund for those needing financial assistance. If you require further information regarding our program, visit our website at http://www.tricitychallengers.com/ or call the Challenger Coach/Coordinator John Casey at 604-939-9146 (home) or 604-939-2210 (work). If you can’t make it Opening Day, please call John or just show up at the park at one of our game times, register and you can play immediately.
