Terry Fox is hosting our 3rd annual Power of Ideas Open House Event on Wednesday April 24th from 4-8pm.

All ages welcome to come and celebrate an evening of Science and Innovation. Fascinating, interactive exhibits are presented by BC’s top science institutions like Science World, Triumf, UBC, SFU, Douglas College, Science Al!ve, Geering Up, Mad Science, BC Hydro and more. Play with Robots, make your own Ice Cream, weave your own Aboriginal Cedar Bracelet, vote our Fox Science Fair Finalists to victory and much more!

See you there!
