After Grad account is looking good - lots of recent deposits. There are two outstanding cheques to be deposited.

We have \$580 so far for Staff Appreciation. We need one final push on this, maybe at the end of the month.

Jane attended DPAC 101 for Treasurers and found it very useful. We're doing everything ok but there was one thing we're doing differently. They say the Treasurer should not have signing authority on the accounts. We will leave it as is right now with Katherine, Jane and Melissa as signers.
