Please review the Course Planning Booklet and “Steps to do Course Selection” (at www.gleneagle.org or by using this QR code) before choosing courses.

Be sure you are on track for meeting graduation requirements and that you have already taken any “Foundations” listed for the classes you request.

Remember to check post-secondary requirements when choosing electives.

What are your post-secondary plans?

Consider whether you want to take any additional electives offered outside of the timetable but note that they do not count towards your required eight courses.

Be sure to complete your course selection on the reverse side and remember signatures!

EAL Students Must Complete:

• Write “June” beside the last EAL course you will complete by June of this year.

• If you are planning on taking summer school, write “summer” beside the next course. Then write “Sem. 1” beside the course after the summer course, and write “Sem. 2” beside the course after the Sem. 1 course.

• If you are not planning on taking summer school, write “Sem. 1” beside the course that comes after your “June” course, and then write “Sem. 2” beside the course after that.

• Write down the names of both your “Sem. 1” and “Sem. 2” courses in the course request box on the reverse side of this form

****see page 2 of “Steps to do Course Selection” for details on where to write your EAL courses on the back of this sheet.**

List your courses in priority order. You MUST write down three alternate electives in case any of your first choices are not available, and you MUST choose courses to fill all seven elective blocks.

REQUESTING A STUDY BLOCK: Requests will not be considered until after your timetable has been finalized in June. At that time, if you feel you have a heavy course load, and will graduate with at least 92 credits, you may contact your counsellor to request a study block in lieu of one of your courses. Requests made in June will then be reviewed with admin for approval.
