

What's happening in... Digital Literacy

David Gilbar (dgilbar) and Reyanne Roberts (rroberts)

Overview

Digital Literacy uses BC's Digital Literacy Framework to guide our practice. Our goal is to encourage the inclusion of technology into learning practice for both students and teachers.

Assignments

We collaborate with:

- English 9
- Science 9
- Social Studies 9
- PE 9

AND we have bi-weekly assignments
(On the DL or OtDL)

OtDL Skills Include

Office 365 Skills
Using Edublogs
Digital Citizenship
Productivity
Password Security
Using Teams
Social Media Review
Email Etiquette
Digital Footprints

How It Works

- Our class is on the schedule but is not in person
- All assignments are delivered through Teams
- Help is available in The Nest (in the Library) every block
- tech101.gleneagle.org has guides available
- Although it is called Applications of Digital Learning 10, it is a course for Grade 9's
- This course earns graduation credit

Tips for Success

Charge Tech

Check the Team

Use Tech101
