COVID PROTOCOLS

We know everyone has COVID fatigue right now, but it is more important than ever to continue with protocol. This includes:

- physical distancing
- wearing masks in all common areas
- not hanging out in the hallways

Let's work together to keep everyone safe.

ANNOUNCEMENT

Ms. Mulder, in room 128, needs to see the following students regarding flex block course selection for next year:

Jasmine Wong
Natasha Dawson
Michaela Da Silva
Zach Spencer
Tommy Ryce

You will need to see me before school on either Thursday or Friday this week. I am not available at any other time. You, five students listed above, are NOT using MyEdBC for your grade 12 course selection.

VALENTINE'S DAY CARDS

Are you looking for a handmade card to give your valentine? Look no further! Check out the posters around the school and the TALONS Instagram page for a website and information on how you can purchase your own handmade cards in time for Valentine's Day. Once again, all proceeds will go towards BC Children's Hospital. Whale you be my valentine?

NUMERACY/LITERACY ASSESSMENTS

For those students wishing to re-write their Numeracy and/or Literacy Assessments, you will be able to register for the April sessions. Listen for more information to be announced here in the near future.

CON-X VIRTUAL SLEEPOUT 2021

The virtual COVID student sleepout sign up is soon ending! Help us change lives and educate your community through fundraising for Covenant House and sleeping out in discomfort! During these difficult times, homeless youth need our support more than ever. Scan the QR code on the happening board and fill out the Microsoft form to take the first steps into creating change. Our first meeting is on January 29th in the library at lunch.

LOST AND FOUND

We have placed all lost and found items on display in the foyer today, please take a look to see if any of the items belong to you! Anything not claimed by Friday will be donated.

TO-DO-IT CLUB

Are you tired of surviving the quarter system alone? Guess what, you are not alone! Join the To-Do-It club! We provide a platform to let students connect with each other and share tips for studying and for post-secondary. Follow us on Instagram @gss_todoit_club (*spell the name out please) and don't miss the sign-up starting Monday, January 25th!
