COAST INFORMATION NIGHT

All Grade 9 students and parents are invited to the COAST Information Night on Zoom at 7:00pm tonight. The link was sent to your parent's email. This is great opportunity to explore a choice program for your grade 10 year. We look forward to seeing you tonight! For more information, please see Ms. Bogen.

COURSE SELECTION

The "Grade 9-11 Course Selection" presentation is now posted on the school website. There is a link at the top of the homepage, as well as under Quick Links, Parent and Student Presentations. All current Grade 9-11 students and families should view the presentation as soon as possible.

If you have questions after you have viewed the information, there is a link on the website to submit questions to MS Forms by Monday, February 1st. We will compile a Question and Answer document and post that on the website on Tuesday, February 2nd.

Students are also invited to attend a Teams meeting with their counsellor on the Counselling Team if they need assistance. This meeting will take place at 2 pm on Wednesday, February 3rd. Students should view the entire presentation before contacting their counsellor as most questions will be answered in the presentation.

Counsellors will visit Q2 EAL classes on January 28th and January 29th, and then Q3 EAL classes on February 2nd and February 4th to provide assistance.

Students will input their course requests to their MyEd account between January 29th and February 11th. Before entering the courses, students must print out the MyEd Planning Worksheet and fill in all the sections. This worksheet is on the school website under Quick Links, Course Planning.
