SPORTS

AQUATIC TEAM NEWS!

Wishing Coach Mike Wylie and his contingent of swimmers a successful two days (tomorrow and Saturday) at the BCSS Provincials in Richmond!

Our squad seems to fly under the radar annually as their competition season is very short compared to other sports with only 3 meets staged during school hours. That said, it's one of the most demanding sports because of how few spots there are to advance through the District and Fraser North meets to qualify for Provincials as individuals and relay teams.

Talons Aquatics has a history of earning some of the best results in BC and will be well-represented by our student-athletes that have been training as a team since early-September and on their own year-round...a testament to the coaching and comradery our swimmers have always enjoyed and thrived off of!
