SCHEDULES FOR NEXT YEAR

Student schedules for next year will be posted to your MyEd account after school today (Friday). If you have trouble logging into MyEd, you will need to go to the main office for assistance as counsellors are not able to help you with this.

Detailed information about requesting any course changes will be posted on your counsellor's Team after school today as well. Please read those instructions carefully and use the link in the Teams post for the change request Form. Do not email or visit your counsellor about schedules as any requests must go through the MS Form. The Form will close at 4 pm on Wednesday, June 18th.

Only students entering Grade 12 next year may request one off-block through an application form, which will also be posted on the counsellor's Team after school. Hard copies are also available in the counselling office. **Applications should be returned by Monday so that the approval process can be completed and spots made available for other students' schedules.**

Please note that schedules are not final until semester one begins, as changes may have to occur before then to address class size & composition.

PRIDE DAY

Hey TALONS! Pride Day is next Wednesday, June 18th. Everyone will get a free jumbo freezie at the end of the school day, so make sure to come out, wear some pride swag, and refresh in the sun after school!
