DRAMA

It's a spooky night and a new collection of teens are about to discover the perils of growing up in St. Claire while violating the rules of horror movies in Horror Movie 102: Failing Just Got Deadlier. These fast-paced scenes will frighten you, make you laugh out loud, shock you, hurt your heart and ultimately make you thankful that you don't live in St. Claire, Minnesota, where the killing of teens in a traditional horror movie style is far too common. Come see the senior drama class perform a series of dark comedy scenes about the pitfalls of horror movies.

TONIGHT, Thursday evening starting at 7pm. Admission is free or by donation.
