REMINDERS

Students, please remember that all scooters and e-scooters must be locked up at the designated bike racks and **not on the railings near the school entrances**. Parking scooters on railings can create **safety hazards** for staff and students and may also lead to your scooter being **damaged by opening doors**. Help keep our school entrances safe and your scooter secure by using the bike racks provided.

PROJECT ANGEL

From today until December 12th, our senior leadership class is proud to bring back Project Angel. In the foyer, you'll find a decorated Christmas tree filled with angel shaped ornaments, but these aren't just any ornaments- each one represents a local child, and their Christmas wishes this year. Project Angel is a schoolwide toy drive. Bring new, unwrapped gifts to support your local children in need. Use the tape beside the tree to attach a filled-out angel to your gift and place it under the tree. PLUS, the class that brings in the most gifts by December 12th will win a PIZZA PARTY on the December 17th, so swing by the foyer, choose a wish and donate a toy!
