

After Grad Meeting Reminder:

Our next planning meeting is **Tuesday, April 9th at 7:00 pm** in the Conference Room at the rear of the school office/administration area. Everyone's participation is welcome and appreciated!

After Grad Volunteers Needed for June:

Putting on a large event like After Grad takes lots of volunteers! We'll need people for set-up the day before (June 20th) as well as many hands to help the day of the event (June 21st) with decorating and of course, for the big event itself. Whether you have a graduate this year, or a younger student and want to participate, everyone's help is welcome, appreciated and greatly, greatly needed! We need lots and lots of help with setting up on June 20th, decorating the gym on June 21st, and helping with food prep, coat check, security, running the games (no experience needed) and clean-up. The party will start around 11:00 pm and continue through the night until 5:00 am.

Please contact Leanne Drolet leannesellshomes@shaw.ca or leave your name and phone number with the office if you can help to make this event run smoothly!

Other Ways to be Involved:

We realize that not all parents can make it out to fundraisers and meetings. And we know that everyone does what they can. You may want to consider being a supporter - It takes a lot of money to put on this event and keep ticket prices low so every gift, no matter what size, is needed and appreciated. We've sent over a hundred requests to businesses, but any donations from parents (\$25 or more is eligible for a tax receipt) would be tremendously appreciated.

You may also have a business, or be employed by one, that can contribute a prize to be awarded during the After Grad. Please click here for more information and to find the donation form – and consider helping out with a contribution.
