

# Welcome to Kindergarten Scavenger Hunt

Students are encouraged to come to Harbour View Elementary School with their family and explore the school grounds.

Prior to coming to the school, we encourage you to read the story *Rock Monsters* linked at the end of the Kindergarten PowerPoint presentation, and then create your own Rock Monster to bring and place on the school grounds for others to find.

## ROCK MONSTERS

While completing the scavenger hunt see how many Rock Monsters you can find. Please remember not to move any of the already placed Rock Monsters.

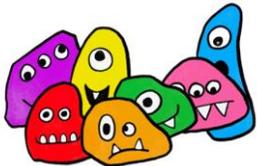

Families, please find the scavenger hunt list on the back of this page.
