## After School Programs

Building FUN after the school day is done!

[Read more about our after school programs](#)

### ABOUT BRICKS 4 KIDZ®

Although Bricks 4 Kidz® has been around and rapidly growing in the United States over the last few years, it is now setting its sights on the Tri-Cities. This popular children's educational and enrichment program is now serving Port Coquitlam, Coquitlam, Port Moody and surrounding areas.

Our state-of-the-art creativity program is full of activities for children ages 3 through 13. From Duplo(R) bricks that can be stacked on the wall, to the latest in animation and robotic software using LEGO® bricks...WE HAVE IT ALL. Children love LEGO® products and learn best in a hands-on environment. We offer programs tailored to every grade level both in-house and at schools, activity centers, religious centers and more. Our birthday parties are a hit with both children and parents. Our Kidz Night Out are nights full of building, challenges, games, food and more! Open play times are held in the afternoons and are a great outing and an outlet for creative play.

We hope to have the opportunity to work with you and your families some time soon.

Please feel free to check us out on [Facebook](#) or if you have any questions please [Contact Us](#)

[Click Register Now](#) to view our schedule and upcoming classes.

**Cancellation/Transfer Policy:** Notifications of withdrawal received up to 2 weeks prior to start date of camp will receive a 50% refund. After that time, no refunds are issued. Changes to enrollment will be made based on availability and are subject to a \$25 administration fee.
