April 17th , 2025

Fantastic news as earlier in March the Province announced funding for the rebuilding of Hazel Trembath. I have not received any additional information but will pass it on to our community as soon as it becomes available.

It's been a wonderful week of weather, which has really helped our teachers and students as they have been busy with practice for the Como Lake Relays and the District Track and Field Event in May.

We are currently in the process of hiring a new Youth Worker as our previous one, Ms. Piche, has moved on to a different position in another district. Once the details have been finalized, I will introduce our new Youth Worker to our students and families.

Enjoy your long weekend!

Sincerely,

Dave Phelan
