## RISE UP TOGETHER

### BACK TO SCHOOL EDITION!

First day of school is Tuesday September 3rd.

A slightly different first day of school awaits our children for the 2024/25 school year. Students will meet their 2023/24 class and teacher at the old bus meeting point at Settler's Park (the gravel pads on Confederation Drive). Teachers will take attendance and walk students over to the **new** bus pick up and drop off location (the old Hazel Trembath staff parking lot). Once there, the teachers will discuss the new bus routine and expectations, and review the plan for the first week of classes. Your child will be ready for pick up at 9:10am from the old Hazel Trembath Staff Parking Lot.

Your PAC will be on hand with coffee and Timbits.  
Come say hi!

### Important information on parking at bus drop off / pick up.

With the bus loading zone now being moved to the old Hazel Trembath staff parking lot, there are a few things parents must take note of:

- To ensure the safety of staff and students, there will be **no vehicle access to the bus loading area**. Parents must park in the upper gravel parking lots and walk their children down to the bus loading zone.
- The area on the south side of the gravel lot closest to the school is designated as the drop off/pick up zone. Please do not park in this area as it creates unnecessary congestion for other parents dropping off their children.
- There is no parking on the paved driveway leading to the school and gravel parking areas. Overflow parking is available on Confederation Drive (old bus loading zone).

Subject to change depending on weather conditions or if access for construction is required.

For more information, please refer to the parking map to the right.

## 2024 / 25 Family Directory

Each year, the PAC organizes a family directory so families can find each other and connect for playdates and birthday parties. Participation is voluntary, and a form to include your information in the directory will be sent out to parents by the school after children have been assigned to their classes. Be on the lookout for this form in mid to late September.
