Hazel Construction Update

The District Design Committee is continuing with the planning process for the new Hazel Trembath Elementary School and will continue its work through December, following an expedited design model. The committee's primary focus is to create a school that will serve

the district for the next 50 years, reflecting the educational philosophy of SD43 elementary schools and anticipating the evolving educational needs of the near, mid, and long-term future. As an advisory group, the committee supports both the SD43 Facilities Department and the architectural team leading the school's design.

b. Santa Breakfast – Join us for our annual Breakfast with Santa on Saturday, November 22nd at Citadel Middle School from 8:00am – 10:30am! Tickets now on sale until November 20th on the Munch-A-Lunch platform and will be \$5 per person (children under 3 are free but you will still need to “buy” a ticket so we can confirm the number of attendees). Join us for a pancake breakfast served by the Port Coquitlam Firefighters, games and crafts, a photo booth and a visit from Santa Claus himself! Proceeds from this event will go towards supporting Hazel Trembath’s families in need this holiday season.

**** If you have one, please feel free to bring a reusable mug/cup for coffee, tea, and/or hot chocolate so we can be as eco-friendly as possible ****

Volunteers are needed for this event to help it run smoothly and to ensure that our primary volunteers/coordinators also get time to eat and enjoy the event. Please visit our signup page and put your name down to help us out.
