Update from the district on Hazel Trembath

We are pleased to provide an update on what has transpired over the summer. School District Staff submitted an updated business case to the Ministry on July 11, 2025. The initial target date for submission was for July 1, however, there was some additional work that needed to be completed around project costing which required a bit of additional time. Since then, Ministry staff and District staff have worked very closely together. The Ministry has confirmed that they have everything that they need from the school district. We are now waiting for Provincial approval on next steps. We do not have a date as to when this may happen but will update the community as soon as we have additional information.

Parking at Winslow Site

For families choosing to drive students to the Winslow school site, we respectfully request that you park your vehicle in the large parking lot at the back of the school off of Lemax street. There is always ample parking, and students can be walked from the parking lot to the rear entrance of our school by the playground. Thank you.

Medical Alert Forms

If your child has any medical issues that the school should be aware of, please complete the necessary Medical Alert form(s) found on our school website and return it/them to Ms. Reeves in the office. The forms can be found by clicking on the "Parent eForms" quick link on the school website homepage and then scrolling to the bottom of the page. If you have any questions at all, please contact Ms. Reeves – breeves@sd43.bc.ca

Meet the Teacher Event/Welcome Back Barbecue

Scheduled for Thursday September 18th. 5:00 – 7:00 pm. Additional information to follow early next week.
