

# Earth Week

## April 20<sup>th</sup> – 23<sup>rd</sup>

Dear Families,

We are excited to celebrate Earth Week at school! Throughout the week, students will take part in simple, meaningful activities to help care for our planet.

### **Litterless Lunch Week (April 20<sup>th</sup> – 23<sup>rd</sup>)**

We encourage students to bring lunches with no single-use packaging (reusable containers, water bottles, etc.) throughout the entire week.

---

### **Monday – Green & Blue Shirt Day**

Students are invited to wear green and blue to celebrate our planet—green for the land and plants, and blue for our oceans and water. This is a fun way to show school spirit while recognizing the importance of taking care of the Earth.

### **Tuesday – Walk, Wheel, or Bus Day**

Students are encouraged to walk, bike, scooter, or take the bus to school/activities instead of being driven.

### **Wednesday – Lights Out Day**

Turn off lights when possible and rely on natural light. Students are also encouraged to power down unused devices at home.

### **Thursday – Recycling & Sorting Challenge**

Students will focus on proper recycling and composting habits both at school and home.

Thank you for supporting these activities and helping us make a positive impact!

Sincerely,

Hazel Trembath Elementary School
