We hold monthly assemblies and we hope you will join us! **Our next school wide Recognition Assembly will occur on Monday, April 28th at 9:15 a.m.** Several students will be recognized from each class for their efforts to date. We will also have a performance by Ms. Hamilton's and Ms. Hethy's classes. Watch the newsletters for other special presentations, the next one being "Fizzical Fizzicks" held on Wednesday, March 12th at 1:15 p.m.

Dress Warm!!

With the winter weather upon us, please ensure that your child comes to school dressed appropriately for the weather. Unless it is raining very hard, students will go outside at recess and lunch and **must** have warm clothing (i.e. warm jacket, toque or hat, mittens, scarf, etc.). It would be very useful for all students to have a change of clothes at school. The playground gets very wet and slippery and we often have students who get wet and muddy.

CLOSURES DUE TO INCLEMENT WEATHER:

Occasionally it is necessary for the School District to close schools due to inclement weather (usually long-term power outages or snow). In the case of extreme weather conditions such as ice, wind and/or excessive snowfall, the Superintendent of Schools has authority on behalf of the Board, to temporarily close a school. As a general expectation, parents should assume that schools are open. If parents believe the local conditions are unsafe, they should keep their child at home or arrange his/her early dismissal. If schools are to be closed before morning classes begin, an announcement will be made on local radio stations CKNW (980), CKWX (1130) and CBC (690) by 7:30 am if possible.

Welcome to Hazel Trembath!

We welcome Ms. Kathleen Smith to our school. She is replacing Ms. Lowry who is now off on Maternity Leave. Ms. Smith will class share with Ms. Laurie who has been off on Maternity Leave for the past year and will return on March 6th. Welcome back Ms. Laurie! Ms. Smith will teach Mondays, Tuesdays, & Wednesdays, and Ms. Laurie will teach Thursdays, & Fridays.

Our basketball teams will be attending the Citadel Middle School Basketball Jamboree on Monday, March 10th. The jamboree will run from 3:30 p.m. until approximately 7:00 p.m. Please come out for some great excitement and cheer on our teams.

SECOND TERM REPORT CARDS:

Our Second Term Report Cards will be sent home on Friday, March 7th. We use a format that is aligned with the Ministry of Education Performance Standards and Learning Outcomes. The Performance Standards are standards set for academic subjects and behavior that children at a given grade level can be expected to meet. Your child will be marked according to how they achieve in relation to those standards.

On the Report Cover you will find a box to check if you feel an interview is necessary. Your child's teacher may also check a box if they feel an interview is warranted. We will be having Early Dismissal on Thursday, March 13th to accommodate any Parent/Teacher Interviews. If an interview has been requested, teachers will contact parents to set up a convenient time. If there are no concerns at this time, it is not necessary to request an interview.

Parent/Teacher communication is ongoing and an interview can be requested at any time during the school year to discuss concerns. We look forward to a positive process where communication between home and school is clear, effective and timely. If you have any questions or concerns, please feel free to contact your child's teacher at any time.

Reading Link Challenge

We invite you to join us at our school **Reading Link Challenge** competition which will be held in our school Gymnasium on **Tuesday, March 11th at 1:00 p.m.** Grade 4 and 5 students are involved in this challenge. The District Challenge will be held on Monday, April 7th at 1:00 p.m. and will also be held at our school.

Please try to join us at both of these events!

Pajama Day

As one of our Theme Days at Hazel Trembath, our Student Leadership group has planned a **"PAJAMA DAY"** on Friday, March 14th.

Students are invited to wear warm and cozy pajamas to school on this day.

Student Absences:

For the safety of all students we request that you call the school before 8:50 a.m. and either relay the information to Mrs. Bolzan or leave a message on the answering machine with any student absences, whether it be for the entire day, half a day or to report that the student will be late. Please remind your child that they are to check in at the office when they arrive late. If a student is marked absent, it is our procedure to call the parent at home first, then at work and then to call the emergency contact to ensure the safety of the student. This is a necessary, but very time consuming process, so your help in this matter is very much appreciated.

HOT LUNCH DAYS: District Lunch Program:

School District No. 43 offers the services of the District's elementary school meals program to our students. Nutritious lunches, prepared at the Centennial teaching kitchen, under the direction of the teaching chef are delivered to our school each day. Due to both time constraints and supplier limitations, **the program cannot guarantee peanut free lunches and is not able to accommodate other possible student allergies. Order forms will be sent home on a monthly basis.** If you have any questions regarding the lunch program and support, please contact Mr. Gordon at 604-941-0517

Traffic & Parking At Hazel Trembath:

Thank you to parents for respecting the no stopping area in front of the school. The front of the school drop off is only for those individuals who have specific physical needs. The expectation is that all families drop off children at the upper parking lots and continue down the stairs to the school. As the weather changes we ask for your extra care and vigilance when you are dropping your children off. Cars entering the upper parking lot are asked to take a large sweep to the right as they are entering and stay tight to the right when exiting the parking lot. On high volume days it is imperative that parents proceed with extra caution. Please review safety expectations with your children if they are walking to school as well. The care for our children is a collective responsibility.

Traffic Safety:

The safety of our children is a top priority.

With the winter season upon us and the weather being rainy and dismal, visibility may be poor on the roads. We would like to remind drivers that we have many children that walk to school on a daily basis using the crosswalks to get to school. Please take time to **SLOW DOWN IN SCHOOL ZONES AND STOP AT CROSSWALKS** to allow children to arrive at school safely.

DROP OFF REQUEST – Early Morning

Teachers are extremely busy in the morning preparing and planning for the day's lesson. Prior to 8:25 a.m., we cannot provide adequate supervision of our students on the playground. School doors do not open for students until 8:40 a.m., however, we will have some supervision after 8:25 in designated areas. Parents are encouraged to supervise their children until the 8:40 bell and to help establish socially responsible expectations when waiting to come in to school each day and after school before going home. As a community we are all responsible for the well being of our children.

School Recycling Program

We would like to request that all Hazel Trembath students place their plastic drink bottles, aluminum cans, drink boxes and containers in our school recycling bins after they have rinsed them in the classroom sink. It helps our recycling crew do their job and the money we raise from recycling goes right back into materials and activities for our children!

Please note that students at our school, follow the exact same recycling procedures that they learn at home. We aim for zero garbage and are involved in the City of Port Coquitlam recycling program, using the Green Waste Bins and the Blue Recycling Bins that are picked up by the City of POCO. Students learn what items go in each bin and learn why it is important for us to recycle. We are working together to create a "Green" school and learning to take care of our environment.

For more information on Port Coquitlam recycling, please go to:

School Goals: 2013 – 2014

We continue to move forward in our goal areas of Writing and Social Responsibility, and we appreciate the support of our parent community as we work toward our goals. Please feel free to inquire on the progress and status of our goals and other school wide initiatives throughout the year. The staff at Hazel Trembath are planning and implementing initiatives for us to improve in our goal areas and we look forward to the rewards that will come as a result of our students' learning.

Literacy Goal: Improve students' Writing skills

Our objective is to improve students' skills in each step of the Writing process. After completing our school-wide write in the Spring of 2013, teachers participated in collaboration sessions to assess student achievement and to discuss the results. It was decided that based on this over-all data, and the data represented at classroom, school and provincial levels, that a focus on each step of the writing process would address our goal of improving students' skills in writing.

Other school wide goal areas and initiatives:

As a community, Hazel Trembath promotes Social Responsibility as a school wide goal and over the past few years has focused specifically on "*solving problems in peaceful ways*". Students will continue to use the "Three Steps" Program to make clear "I" statements to whoever is causing problems and will notify that person, that if they choose to continue with the problem behavior, adult intervention will be sought out. The idea behind these strategies is to give students the skills to advocate for themselves and to build their problem solving capacity.

We will also continue to concentrate on "**Taking Care of the Environment**". We will work together to create a "**Green**" school and establish excellence in education around environmental issues and concerns. We look forward to the growth of our school through the support of parents, volunteers, staff and students and thank you in advance for building a truly great learning community. Our school focus is to be socially and environmentally responsible. It is our responsibility to ensure a safe and happy learning

environment for all students. To help achieve this, it is expected that students keep their hands and feet to themselves and that they include others while playing outside at recess and lunchtime. When students are having problems, they are expected to solve problems in peaceful ways.

One of the strategies we will be teaching students to solve problems peacefully is the use of The Three Steps. This problem solving process is outlined as follows:

The Three Steps: Explicit Feedback

The Three Steps will help students to solve problems in peaceful ways. It is based on a clear and straightforward process whereby students take the:

First Step by giving feedback to other students who are treating them in a way that they want stopped. If the unwanted behavior continues, students go to the:

Second Step and inform the other student that if they don't stop, it will be their responsibility to report them. The:

Third Step is when a student reports the problem to an adult.

All students and staff members are being trained in the use of the Three Steps and we will continue our work with students to help them solve problems peacefully.

When students act out inappropriately and treat one another in unacceptable and hurtful ways, the Principal will be involved. Mr. Gordon will work with students who make unwise choices through a process called **Behavior Support**. This process involves helping students to reflect on their own unacceptable behavior and having them think of more appropriate ways of treating one another. Behaviour Support is a positive and dignified way to help students learn from their mistakes and to take responsibility for their actions. Part of this process is for the Principal to inform parents in the event that their child has been involved in a conflict and to let them know how the situation was handled at school. We will continue to teach all students this strategy of solving problems in peaceful ways and look forward to continued improvement in socially responsible behavior at school.

We will continue to focus on our environmental responsibilities by participating in a number of school-wide and classroom-based initiatives.

Head Lice

Head louse

Louse egg (nit) on hair

What are lice? Lice are tiny insects that live on humans and feed on blood. Head Lice are found in hair, most often on the back of the neck and behind the ears. Head lice are common in preschool and elementary school-age children. Adults can get them too, especially adults who live with children.

What causes a lice infestation? Lice spread easily from one person to another through close contact or through shared clothing or personal items (such as hats or hairbrushes).

Head Lice cannot jump or fly.

What are the symptoms? The most common symptom of lice is itching. Head lice may not cause any symptoms at first. Itching on the scalp may start weeks or even months after lice have started to spread.

How is it treated? Lice won't go away on their own. Be sure to do all you can to treat lice and to prevent the spread of lice. The most common treatment is an over-the-counter cream, lotion, or shampoo. In some cases, you may need treatment a second time to make sure that all the eggs are dead. If two or more treatments don't work, see your doctor. It's also important to wash clothing and bedding in hot water to help get rid of lice.

Removing Nits From Hair: Lice eggs stick to the hair and can be hard to remove. It is possible that if some eggs survive treatment and are not removed from the hair, they may persist. You can try wet combing to remove eggs and lice:

- Wet hair and add conditioner, vinegar, or olive oil. Then comb hair with a fine-toothed comb. Comb for at least 15 minutes (until you find no more lice.) Repeat this process every few days. Stop 2 to 3 weeks after the last session in which you found an adult louse.
- If you are using medicine to kill lice, you can use a fine-toothed comb after you've rinsed the medicine from hair. The combs are often packaged with over-the-counter lice shampoos.

Cleaning Lice From Combs, Clothing, and Other

Items: Head Lice can spread from human to object to human, but it's more common for lice to spread by human-to-human contact. Lice don't live longer than 2 days when they are not on a human. So you would only need to remove lice from items that the person with lice has used or worn in the 2 days just before he or she used lice-killing medicine.

- To rid hair brushes, combs, barrettes, and other hair ornaments of lice, soak them in hot water [at least 54.5°C (130°F)] for 5 to 10 minutes, soak them in isopropyl alcohol, or wash them with a shampoo that is used to treat head lice.
- Machine-wash towels, hats, scarves, clothes, bedding, and cloth toys in hot water [at least 54.5°C (130°F)] or place them in a dryer on the high heat setting for at least 5 to 10 minutes. Dry-cleaning or storing clothing in a plastic bag for 2 weeks will also destroy lice.
- Vacuum carpets, upholstery, and mattresses to remove hairs that might have live eggs attached.
- You do not need to fumigate the house with insecticide sprays. This will not help treat or control a lice problem and may unnecessarily expose family members to toxic fumes.

COMMUNITY NEWS

"School District 43 is currently facilitating a community engagement process for the Learning, Land and Neighbourhoods initiative. The number of students enrolling in the school district is growing -- in the next decade there will be 5,000 more students. New schools will need to be built and others refurbished or enhanced to meet growing demand. In addition, building on the work done last year, the board is reviewing district properties to ensure we are getting the best value for students today and in the future. The school district has launched a community engagement process to help identify solutions and inform the board's actions and decisions.
