## **SEPTEMBER 2025 – 2026 CROSS-CATCHMENT REGISTRATION**

Applications will be accepted online starting Friday February 7, 2025 – Wednesday February 12, 2025.

There are two separate applications:

- 1) Kindergarten Cross Catchment
- 2) Grades 1-12 Cross Catchment (including a section to confirm sibling status)

The [School Locator](#) tool on the district web site provides a student's designated catchment area schools.

**Catchment is based on permanent home address.**

The application requires student or PEN number (can be obtained from your child's school), child's birth date, home address, name of current or assigned school, and the name of the requested school(s). Kindergarten requests do not need to provide the student number/PEN number.

### **PROCESS DETAILS:**

- Applications will be processed based on the **availability of space in schools** and on a **RANDOM DRAW PROCESS**. (using in-district priority then out-of-district)

- All applications will be done **ONLINE**.
- Approval of a cross catchment application is only applicable to the designated school requested by the student and assigned by the district.
- Changing levels from elementary to middle, or middle to secondary school, outside of the student's assigned catchment school requires a cross catchment application and approval.

#### IMPORTANT INFORMATION ABOUT SCHOOLS AT CAPACITY

A cross catchment application does not guarantee approval of the cross catchment request as many factors influence the number of cross catchment requests that each individual school can accommodate.
