## **Kilometer Club**

Kilometer Club training has begun!

Thank you to our PAC for providing incentive ribbons again this year!

## **Como Lake Relay Update!**

Heritage Mountain's Como Lake Relay training began before Spring Break. For 16 mornings, beginning at 8:15 am, 58 Grade 4 and 5 students ran along the path around the field, 2.5 times, in all kinds of weather. The trainees faithfully trained every morning and it was noticeable how much better they were on the last day than the first day. Whatever their speed and pace, all trainees were part of the Como Lake Relay teams representing Heritage Mountain Elementary. We had 12 teams of runners this year! The teams were able to win 2 rosettes which will be put up in the front hallway. The rosettes mean the teams finished in the top 10. During training runs and on relay day, HME runners demonstrated good sportsmanship and support for one another by cheering each other on, congratulating each other and by running along beside one another. Well done, Como Lake Relay teams! We are so proud of you. Thank you to all the teachers who were able to help out each morning and on race day. Thank you families for supporting your child every morning and on relay day.

Ms. McCausland
