It's What **You** Do That Counts!

Are you a young woman in grade 12 who volunteers in your community or school? Do you see challenges instead of obstacles? Hope instead of despair? If you are a young woman who believes in the power of volunteer action and plans to attend a post-secondary institute after graduation, then you may be eligible to win a

Bea Kelly Volunteer Award.

This award recognizes young women who make the community and world a better place through volunteer efforts such as: fighting drugs, crime and violence; cleaning up the environment; and working to end discrimination and poverty. Volunteer actions that benefit women or girls are particularly encouraged.

Winners are eligible to receive bursaries to help offset some of the costs of their post-secondary education.
