Beedie Luminaries Class of 2020 Scholarship Applications Are Now Open!

Bright minds are more than grades, and our scholarship is more than money. We give students what they need for a brighter future.

We look for the diamond in the rough.

We look beyond the grades.

We look for potential because we believe investing in our youth has the potential to transform families and communities.

Do you know of a student or students who fit this criteria? Please let them know about Beedie Luminaries and encourage them to [APPLY](#) today!

The 2019/2020 Applications are open until January 20, 2020, 9:00 am PST.

It's What **You** Do That Counts!

Are you a young woman in grade 12 who volunteers in your community or school? Do you see challenges instead of obstacles? Hope instead of despair? If you are a young woman who believes in the power of volunteer action and plans to attend a post-secondary institute after graduation, then you may be eligible to win a

Bea Kelly Volunteer Award.

This award recognizes young women who make the community and world a better place through volunteer efforts such as: fighting drugs, crime and violence; cleaning up the environment; and working to end discrimination and poverty. Volunteer actions that benefit women or girls are particularly encouraged.

Winners are eligible to receive bursaries to help offset some of the costs of their post-secondary education.

For information about applying for the Bea Kelly Volunteer Award please contact:
