# CAREER CENTER

# We will have a Canadian Coast Guard College Recruitment Officer at Heritage Woods on January 14<sup>th</sup> at lunch in the Grand Hall to discuss with students the post-secondary opportunities available.

The Canadian Coast Guard Officer Training Program offers high school graduates a post secondary education in two streams: Marine Engineering or Marine Navigation. As a result of our four year program, the Officer Cadets will obtain the following:

- Bachelor of Technology in Nautical Sciences
- Canadian Coast Guard College Diploma
- Commercial Certification issued by Transport Canada
- Guaranteed employment with the Canadian Coast Guard upon graduation

Joining the Canadian Coast Guard Officer Training Program, Officer Cadets will receive throughout the four year training program:

- a tuition free education
- a monthly allowance,
- free room and board, textbooks and uniforms etc.

Those who join the Officer Training Program become a government employee from the first day of the Officer training program and their job title is Officer Cadet. They will receive:

- medical and dental plan coverage,
- pensionable service
- 4 weeks of paid vacation per year

High school students can apply to the Officer Training program in their grade 12 year.

# 2020 UBC Engineering Physics high school info session and tour!

UBC's [Engineering Physics](#) program is one of the top engineering programs in Canada. With a formidable combination of scientific training, engineering experience, and practical hands-on skills, our graduates play leading roles in the most interesting and exciting industries and fields of scientific research in Canada and around the world:

- Artificial intelligence and machine learning
- Biotechnology, genetic engineering, medical devices
- Clean energy, electric vehicles
- UAVs, drones, aerospace
- Quantum computing

Engineering Physics is a very challenging program and should appeal to students with a strong interest and ability in mathematics and science. Please join us on **Sunday January 19th** for tours of UBC labs, a talk by the Program Director, and a chance to meet our students and see some of their projects. The day is divided into an AM section and a PM section, with the Director's talk in the middle. There is no need to attend the entire day.

- Register at the link below. In order to reach as many students as possible, we ask that each student bring no more than two family members with them to the event.

# Could you be our 2020 award winner?

Other people talk about making the world better. You actually did something.

Presented annually, the *Weston Youth Innovation Award* was created to encourage and recognize young Canadian innovators. It provides students aged 14 to 18 a unique way to share their ideas and get the word out to a much larger audience! Interested? Why not tell us about your accomplishments? You could be the next Weston Youth Innovation Award winner.

## Who is eligible?

- We look for individuals or groups who:
- are between the ages of 14 and 18,
- have used science and/or technology as the basis for developing creative and innovative ideas aimed at solving real-world problems,
- put their ideas into action and as a result, have had a positive impact either in their own community or on a broader scale.

For more information on how to apply visit: <https://www.ontariosciencecentre.ca/innovationaward/#howtoapply>

- \$15,000 first-place prize
- \$8,500 second-place prize
- \$3,500 each for up to three additional finalists
- Your project featured in an Ontario Science Centre exhibit
