# Looking for a challenge outside the classroom?

## Looking for a **challenge** outside the classroom?

Stimulate your passion for STEAM with *Future Science Leaders!*

*Future Science Leaders (FSL)* is a weekly after-school science enrichment program that opens the world of STEAM (science, technology, engineering, art and design, and mathematics) to secondary students.

**FSL programs are available in:**

**Vancouver**—TELUS World of Science

**Surrey**—Health and Technology Innovation Hub

“I can say 100% I would not be doing this job right now which I really love (research engineer at VGH) without *FSL*. The network and support continue when you leave the program.”

# UBC ENGINEERING Upcoming Events for Girls

## UBC Engineering Upcoming Events for Girls

### Changing the World: Engineering the Future

**Saturday, March 28, 2020**

**Grades 10-12**

Explore why engineering is an amazing career for women who want to change the world, help improve the lives of others and the environment around us, and who like teamwork and problem-solving. Solve real engineering challenges, learn about different types of engineering, talk to current students, hear from recent alumni and tour the campus.

### Engineering Explorations 11:

#### ECE & the Future of Tech

**Saturday, February 1, 2020**

**Grade 11**

As technology continues to expand its presence in our daily lives, engineering allows us to leverage new technologies for more applications.

### Engineering Explorations 10:

#### Sustainability for Our Future

**Saturday, February 22, 2020**

**Grade 10**

Using the engineering design cycle and a focus on environmental engineering, you'll ideate new solutions to an engineering problem that many countries face today.

### Engineering Explorations 8:

#### The Variety of Engineering

**Saturday, March 14, 2020**

**Grade 8**

Debunk your perceptions of engineering and experience what engineers do everyday!

### Technovation Girls

**February 7, March 6, or April 17**

**Ages 10-18**

Build an app to solve a problem you identify within your community. Offered through UBC Geering Up.

### Girl Powered Design Club

**Saturdays starting January 25**

**Grades 8-10**

It includes activities from all streams of STEM (Science, Technology, Engineering, and Math) in the form of hands-on activities, engineering design projects, and student competitions.

# OPERATION MED SCHOOL IS OPENED FOR REGISTRATION

<https://operationmedschool.com/>

March 8<sup>th</sup> 8:30 – 5:30 at Robert H. Lee Alumni Centre, University of British Columbia

- Operation Med School (OMS) is a non-profit, student-run organization that hosts one-day conferences in Canada and the USA to educate youth about the journey of a medical career. Our goal is to inspire, inform and encourage students to follow their medical dreams and head bravely into their future endeavors.

OMS was started by a group of high school students in Vancouver, BC in 2012. Each conference gives students a new approach to medical careers through activities and lectures by medical experts. It is the perfect chance for high school students to explore the medical field, meet peers who share the same passion, and speak with knowledgeable medical professionals.

OMS has been creating an opportunity for youth to gain valuable leadership and event management skills since it began in 2012 as a conference *for* high school students *from* high school students. As the organization has grown, each city conference continues to be organized by a team of local high school students.
