GRAD ACTIVITIES JUNE 2020 – SLIDE #2

Virtual Commencement – June 15 schedule

- After June 10th, we will have a more accurate count of the number of students participating in the grad ceremony which will help determine our schedule for this day. For your planning purposes, please use the following estimated schedule of times and we will send out a more exact schedule after June 10th. We will have 15 students attend in 30 min intervals starting at 9am so here is the rough schedule:
- 9am-12pm Last names A-G 1pm- 4pm Last names H-N 4pm-7pm
Last names O-Z
- Each student will receive an exact time slot so you will only need to be here for about 45 min total (arrive 15 min prior to your scheduled time so we can cue up the cars)
- **if we get considerably less numbers then we will aim for a 10am start time and finish around 6pm.*

GRAD ACTIVITIES JUNE 2020 SLIDE #3

Grad Packages

- Each grad will receive a gift bag including the diploma folder, grad program, grad gifts, and the yearbook
- **Home Virtual Commencement Viewing - June 24 @ 7pm virtual links will be provided for both the ceremony video and the highlight video**

Summer Learning Statement: COVID-19

- At this time registration for our summer learning programs (**Elementary Skill Building, Middle Skill Building, Secondary Skill Building and Secondary Remedial**) has been postponed until further notice. We continue to plan for summer learning under the direction of the ministries of Health and Education and will provide an update on our website as soon as more information becomes available. At this time we are unable to confirm that this years summer learning program will run and should we be able to move ahead with summer learning the program likely be significantly smaller in scope and the delivery format will likely be significantly different.
- Check our website for information and updates: www.summerlearningcoquitlam.ca

Coquitlam Volunteering Opportunities during Covid-19

Students: you can still volunteer during COVID!

- While the opportunities may be delivered differently than in the past, there are still things you can do like:
- Phone Buddies
- Adopt a trail or street
- Letters of kindness

Check out the City of Coquitlam for these unique opportunities to make a difference in your community.

ATTENTION 2020 GRADS

Have you received a scholarship? Please complete the green “Have you received a scholarship” form located on the HWSS career centre website and email it to Ms. Butler ASAP dbutler@sd43.bc.ca so we can acknowledge you in the commencement brochure.

<http://www.sd43.bc.ca/school/heritagewoods/ProgramsServices/career/Documents/Have%20You%20Received%20A%20Scholarship.pdf>

Have you accepted an offer for post-secondary? Please send Ms. Butler an email and let her know where you are going and what you plan to study. It is helpful to know where our grads are going when organizing future visits from post-secondary institutions.

GRADE 12S – REMEMBER TO CHECK THE CAREER CENTRE WEBPAGE REGULARLY FOR NEW AND UPDATED SCHOLARSHIPS.

NEW SCHOLARSHIP INFORMATION IS NOW AVAILABLE BELOW AND ON THE CAREER CENTRE WEBSITE.

- **ALL SCHOLARSHIPS ARE LISTED BY DUE DATE.**

- With the school year quickly coming to an end, [ScholarTree.ca](http://www.scholarstree.ca) has made a concerted effort to add as many scholarships to the platform as we could find. May is the end of peak scholarship season so there are a lot of awards with upcoming deadlines.
- We currently have 45 scholarships that equate to 358 awards and a total of \$690,750 application period ending this month. There is still time for students who have put off applying to scholarships throughout the school year.

Confratellanza Italo-Canadese Scholarship

- The Confratellanza Italo-Canadese was founded in 1904 and is committed to the preservation of Italian cultural heritage and contributing to the enrichment of the multicultural community in the Greater Vancouver area (for more information about us visit our web site at www.confratellanza.com). This year we are offering several \$1,000 scholarships to assist eligible students in their post-secondary studies:
- The scholarships are open to this year's graduating secondary school students planning to enroll in a post-secondary educational institution for the first time in 2020. To be eligible for this scholarship candidates must
 - 1) be of Italian origin i.e. as having at least one parent or grandparent of direct Italian descent,
 - 2) be living in a city or municipality within the 21-member Greater Vancouver Regional District,
 - 3) have an academic standing sufficient to qualify for entry into the post-secondary institution of their choice, and
 - 4) submit a completed application form with supporting documentation post-marked **no later than June 15, 2020**.
- Application and more information available on career centre website.

OCEAN WISE

YouthToSea Summer Leadership Programs in 2020

- Ocean Wise is proud to announce that applications are open for our [YouthToSea Summer Leadership Programs](#) in 2020. Previously known as the AquaCamps Work Experience Program, additional staffing and resources have allowed us to elevate our previous program to offer more training, coaching, and professional development opportunities. The new program still meets all the curriculum requirements for the Work Experience Program.
- These programs are designed to offer youth (15-18) an opportunity to build their personal leadership, problem-solving and life skills. Youth in the program will participate in our summer AquaCamps programming at the Vancouver Aquarium, shadowing Children & Youth Educators to learn more about working with children in an educational capacity. Participants will expand their social network, increase their marine conservation knowledge, connect with their community and gain employment skills.
- Supported by the Government of Canada through the Canada Service Corps initiative, all training, certifications and retreats are fully funded, and there are no costs for participants.
- Youth who complete the Leadership Program will receive:
 - 120+ hours of volunteer service
 - Ocean Wise Animal Handling Certification
 - WHMIS Certification
 - CAN Autism Training
 - Ocean Wise Leadership Program Certificate of Completion
 - Opportunity to join member-only workshops/events at the Vancouver Aquarium
 - Valuable work experience and professional contact

There is also an opportunity to complete an original ocean conservation service project of their choosing with an Ocean Wise mentor.

More information including how to apply, placement dates/times, and FAQ's can be found at:

education.ocean.org/youthtosea

OCEAN WISE continued

We are closely following all COVID-19 development and currently the Summer program will run as planned. However, please be aware there may be a change in dates/opportunities for this program as the provincial and national pandemic response changes. We will keep all applicants updated throughout the process. If we are unable to reopen the Vancouver Aquarium before summer begins, participants will be allowed to withdraw their application to the program, or we can help mentor you through an ocean service project to meet your 120 hours of service.

BACHELOR OF ENGINEERING IN SOFTWARE ENGINEERING

Create your own path with a career in Software Engineering

Do you want a career that allows you to make an impact, and that is part of one of the fastest growing and most in demand professions in Canada? Do you want to contribute to the ever-growing need for software based solutions across a variety of industries and professions?

With a focus on skill-based learning and a commitment to small class sizes, the Software Engineering program at TRU provides a hands-on experience led by industry professionals. By blending engineering, business, computing science, project management and quality assurance, students receive a well-rounded and multi-faceted education that equips them with skills needed for the workplace.

EXPERIENCE HANDS ON LEARNING

The program's focus on experiential learning includes two mandatory co-op work terms in the fourth year of the program, which puts students in the position to be a paid employee before graduation and have opportunities to test-drive the wide variety of career options available in software engineering.

Career Paths in Software Engineering

- Manufacturing
- Research
- Medicine
- Automobiles
- Banking
- Technology companies such as Google, Amazon and Facebook
- Entertainment

THE TRU SOFTWARE ENGINEERING ADVANTAGE

- Offers strong foundations in principles and practice of software systems development, and related computing technologies.
- Students develop knowledge of the tools, technical skills and competencies required to design, develop, test and maintain cycles of software product.
- Emphasis on project-based learning practices that apply theoretical concepts to practical problems.
- Co-op work terms to gain relevant, paid work experience in industry.
- One-year design capstone project from real world industry to gain in-depth experiential learning.

Stimulate your passion for STEAM with *Future Science Leaders!*

Future Science Leaders (FSL) is a weekly after-school science enrichment program that opens the world of STEAM (science, technology, engineering, art and design, and mathematics) to secondary students.

FSL programs are available in:

Vancouver—TELUS World of Science

Surrey—Health and Technology Innovation Hub

“I can say 100% I would not be doing this job right now which I really love (research engineer at VGH) without *FSL*. The network and support continue when you leave the program.”
