HIGH SCHOOL MENTORSHIP

2020-2021 PROGRAM INFORMATION

SUMMARY

We match young women, Two-Spirit, trans and non-binary youth (mentees) in Grades 11 and 12 across Metro Vancouver with a mentor to better prepare for their futures. Mentor-mentee matches are based on career and education goals, hobbies, and the level of support required. A mentor can help you explore your academic and professional interests, support you in your transition to university and help nurture your leadership ability!

***Please Note: To keep mentees and mentors safe during COVID-19, regular in-person programming will be moved onto an online platform for the time being.**

MENTEES WHO WILL BENEFIT MOST

- Know what they want out of the relationship and are able to express their needs to their mentor
- Take initiative and are not afraid to ask questions, make suggestions and express their opinions
- Are committed, motivated, flexible and open!

YOUR RESPONSIBILITIES

- Maintain regular and frequent contact with your mentor, schedule monthly online or phone meetings from November to June
- Maintain contact with the YWCA Program Coordinator via email, send in monthly journals and attend YWCA events/workshops

OUR MENTORS

- Are empathetic graduate students or professional women, Two-Spirit, trans and non-binary individuals
- Are positive role models that are easy to talk to who will share their knowledge and encourage you to explore your career and education interests
- Will connect you with others in the community to grow your network

WHAT DO MATCHES DO TOGETHER?

Some examples are:

- Chat about career/education interests and goals over the phone or online
- Virtually explore a university campus, office tour or job shadow, attend a virtual art class or work out session!
- Attend free monthly online YWCA Workshops on topics related to career exploration, stress reduction, university prep, leadership and more!

APPLICATION & PROGRAM TIMELINE

- Complete - the online application (link below, by October 6th 5pm PST) and a 15-minute Zoom Interview
- Attend - online Orientation & Training Session and a Meet & Greet event with your mentor in November/December

TD SCHOLARSHIPS FOR COMMUNITY LEADERSHIP

Community heroes do good work because they are inspired to, not for the recognition.

TD is committed to opening doors for a more inclusive and sustainable tomorrow, creating conditions so everyone has the chance to succeed in a changing world. Unique in Canada, the TD Scholarships for Community Leadership are offered to students who, like TD, help support change, nurture progress and contribute to making the world a better place. Have you shown exceptional initiative in making a meaningful and lasting difference in your community? Then we want to hear from you, as you may qualify for one of our Community Scholarships. It's not just about marks in the classroom, but rather the marks you have made on your community.

- We're interested in hearing from students who have demonstrated consistent and outstanding dedication to solving a community problem or making their community a better place. For example, you may be cleaning up the environment, promoting social justice, or fighting child poverty.

Applications are now open. Deadline to apply November 13, 2020
