February is Black History Month

— BLACK
HISTORY
MONTH

Marsha
P.
Johnson

Johnson was widely regarded as the “Godmother” of the gay rights movement for nearly 25 years

Led the Stonewall riots which was a six-day protest for gay liberation in the USA

Johnson was a tireless activist against oppressive police, for transgender and homeless youth, those with HIV/AIDS and for sex workers

Founded “STAR” which provided housing to transgender and homeless youth

CAREER CENTER

**OPEN TO
STUDENTS IN
GRADE 11/12**

University of Waterloo's Industry 4.0 Student Design Team invites you to participate in our competition for senior high school students. Our team uses technical concepts and approaches to tackle everyday problems that occur throughout the **engineering** industry. Find more information about our team in the PDF.

The competition is an all-day virtual event and will be hosted through **Discord on February 17, 2021**. Students are encouraged to look into Management Engineering concepts beforehand as this will prove to be helpful during the case day.

This competition requires teams of 3-5 students to optimize a process. This process could be related to anything with data analytics, manufacturing, queueing, and optimization fields. The teams will be given different sets of visuals along with text descriptions and be asked to analyze the process presented to them. They will then prepare a short report with their analysis, as well as a presentation with their improvement recommendations, which are backed up with real data.

We believe this will be an amazing opportunity for students to experience the University of Waterloo's engineering case days and get an insight into Management Engineering and its applications in the industries - as well as connect and network with university students.

There are cash prizes for the top 3 teams! Amounts are to be disclosed closer to the competition date.

If you are interested: here is the preliminary sign-up form, it **closes on February 5th, 2021**. (Deadline extended until Feb. 08 9 pm PST)

<https://forms.gle/anUAjBEf8F9xMREU7>

DOUGLAS COLLEGE NEXT STEPS VIRTUAL INFO SESSION

- Have you applied to Douglas College but are not sure what to do now?
- Or are you still planning to apply but are a bit uncertain?
- Douglas College Next Steps Visit (virtually) is for you.
- When: Thursday February 04 4 pm
- Link: Register in advance for this meeting

<https://douglascollege-ca.zoom.us/meeting/register/u5YoduuqpjovEtElcl7sl3cMRvla3Nv-cNy1>

After registering, you will receive a confirmation email containing information about joining the meeting.

Study & Go Abroad Virtual Fair

The fair offers students a FREE opportunity to meet online with representatives from post-secondary institutions from around the world, so that they can start planning their next step in education, whether it be at home or abroad. The fair will feature universities, professional schools and colleges offering short-term and long-term programs, whole degrees, diplomas, certificate programs and summer programs. Embassies and consortia will also be exhibiting at the fair, as will student travel organizations.

- Similar to a regular fair, visitors to the virtual fair are able to visit booths, chat 'live' to university representatives via text or video chat, download brochures, watch videos and attend webinars on a variety of different topics. They will learn about scholarships, admission requirements and a full range of program options; Law, Medicine, Engineering, Sciences, Entertainment and the Arts, IT, Hospitality and more.
- Check the [website](#) for exhibitor information and profiles, and the webinar schedule.
- More details:
Date: Thursday February 11
Place: Online
Expo hours: 3pm to 9pm EST
Admission: FREE
Register [here](#)

The website to sign up for the fair is <https://saga.easyvirtualfair.com/> and the site for more information is <https://www.studyandgoabroad.com/virtual-education-fair/>

Study and Go Abroad

VIRTUAL EDUCATION FAIR

FEBRUARY 11, 2021

Study and Go Abroad Virtual Fair - February 11: 3 - 9pm EST

Start planning your next step in education, or to work abroad or volunteer. This is another great opportunity to chat to universities, colleges and student travel organizations from Canada and around the world. Check our [website](#) to see who's coming and keep checking the webinar schedule for webinar info.

ARE YOU IN GRADE 12?

HAVE YOU APPLIED TO POST-SECONDARY – ANY TYPE (COLLEGE, TRADE SCHOOL, UNIVERSITY) IN CANADA, US OR ABROAD?

YOU MUST GIVE ALL SCHOOLS PERMISSION TO RECEIVE YOUR FINAL TRANSCRIPTS THROUGH THE STUDENT TRANSCRIPT SERVICE.

AFTER YOU CREATE YOUR BCEID THEN YOU SELECT THE SCHOOLS YOU HAVE APPLIED TO SO THEY CAN RECEIVE YOUR FINAL TRANSCRIPTS.

THE CORRECT SEND OPTION IS AUTO-SELECTED. DO NOT CHANGE IT.

DO NOT CHOOSE SEND TRANSCRIPT NOW.

YOU NEED TO MAKE THESE SELECTIONS IN ORDER FOR SCHOOLS TO RECEIVE YOUR FINAL MARKS IN JULY.

WITHOUT THOSE MARKS THEY CANNOT CONFIRM YOUR CONDITIONAL OFFER.

QUESTIONS? THERE IS A PPT ON THE CAREER CENTRE WEBSITE WITH INSTRUCTIONS:

[HTTP://WWW.SD43.BC.CA/SCHOOL/HERITAGEWOODS/PROGRAMSSERVICES/CAREER/PAGES/POST-SECONDARY.ASPX#/=](http://www.sd43.bc.ca/school/heritagewoods/programsservices/career/pages/post-secondary.aspx#/=)

STILL UNSURE IF YOU DID IT CORRECTLY? CONTACT MS. BUTLER FOR ASSISTANCE: DBUTLER@SD43.BC.CA

Simon Fraser University

Additionally, we are offering Applicant Information Sessions, which include a self reporting grades tutorial, throughout February. Students can register here:

<https://www.sfu.ca/students/admission/campus-tours/applicant-info-session/sessions.html>

SELF-REPORT 2021

You must report all approved grade 11 and 12 courses to complete your application to SFU.

Visit www.sfu.ca/students/admission/admission-requirements/approved-courses for a list of all approved grade 11 and grade 12 courses, and their subject umbrellas.

SUCCESS! SELF-REPORTING IS NOW COMPLETE.

Did you miss the Jan. 15 deadline to apply to UBC? It might not be too late. Some faculties are still accepting applications.

Apply to UBC

- Applications for the 2021/2022 academic year has now closed for most programs. Below are programs that are still currently accepting applications. If you are interested in applying to any of these programs, **we recommend applying as soon as possible as they may close at any time.**
- **UBC Vancouver:**
 - Bachelor of Music
 - Bachelor of Science in Natural Resources Conservation
 - Bachelor of Science in Wood Products Processing
 - Bachelor of Science in Forestry
 - Bachelor of Science in Forest Sciences
 - Bachelor of Science in Forest Bioeconomy Sciences and Technology
 - Bachelor of Urban Forestry
 - Vantage One Bachelor of Arts
 - Vantage One Bachelor of Science
 - Vantage One Bachelor of Applied Science
- **UBC Okanagan:**
 - Bachelor of Applied Science
 - Bachelor of Arts
 - Bachelor of Fine Arts
 - Bachelor of Human Kinetics
 - Bachelor of Management
 - Bachelor of Media Studies
 - Bachelor of Science

WOMEN IN SCIENCE

Join us virtually as we celebrate International Day of Women and Girls in Science on **Thursday, February 11, 2021**. Become part of the conversation by following [#WomenInScience](#) on Instagram!

- In 2015, [UNESCO](#) and [UN Women](#) established an annual day to honour the important role women and girls play in science and technology. Together they are making a [global call](#) to “*smash stereotypes, defy gender biases and defeat discrimination that hold women and girls back in STEM fields.*”
- At BC Children’s Hospital Research Institute, we are proud to support our inspiring female leaders who are making groundbreaking discoveries and innovations in research. At this unique evening event, we will be showcasing the important contributions of six of these women.

Curriculum

- 7:00–8:00 pm: Celebrating Success — Hear from six women who are paving the way for research in health sciences.
- 8:00–9:00 pm: Unlimited Potential Panel — Learn more about our presenters including what inspired them to pursue a career in science and what stereotypes or other gender-based barriers they faced. *This will be an open conversation so be prepared to ask questions!*

Interested in Participating?

- Women in Science will be held on a virtual learning platform. Participation is free, but participants will require access to a computer, tablet or smartphone and a stable internet connection.

Registration is open to high school students, university students and members of the general public. The curriculum and discussion will be targeted for a grade 10–12 education level.

Registration will be accepted on a first-come, first-serve basis. Space is limited to 200 participants.

Applications open Monday January 18 at 4 pm

<https://www.bcchr.ca/events/public-events/women-science>

GREEN BRICKS
GREEN COLLAR FUTURES
VIRTUAL CAREER CONFERENCE FOR GRADES 10–12 STUDENTS
SATURDAY, FEBRUARY 20, 2021

GREEN COLLAR FUTURES

Virtual Career Conference for Grades 10–12 Students

The “green economy” is changing the workplace in B.C. Learn about exciting and endless career opportunities.

MORE than a career fair, this conference connects you with dynamic people thriving in a green collar career.

You have a chance to win a \$500 scholarship

Prizes

Free to Attend

Many careers represented like lighting physicist, architect, developer, hydrologist, environmental lawyer, marketing, landscape architect, interior designer, robotics engineer, and many more!

Event Details

9:00am- 2:30pm
Saturday February 20th, 2021

Held virtually via Zoom

Registration is very limited and a school limit may apply. Register at:
www.greenbricks.ca/conference-registration

THANK YOU to:

XdHacks

XdHacks Mini is a global high-school Hackathon organization dedicated toward hosting high-school Hackathons to inspire more youth to be engaged with the field of STEAM. Our events are where individuals come together and use technology to transform their ideas into reality in an attempt to create a feasible solution towards solving a relevant, real-world problem.

XdHacks Mini Vancouver is Vancouver's first and largest highschool hackathon nonprofit dedicated to teaching students the importance of interdisciplinary learning in the modern technology industry. Our unique focus is on helping students develop an interdisciplinary mindset, which is becoming increasingly important in the workplace. We organize highschool hackathons annually, connecting hundreds of students worldwide who are passionate about a career in technology. At our events, we offer workshops ranging from Design Thinking, to Resume Building, while helping students create a network within our community.

The third iteration of XdHacks Mini Van will be SecureHacks, with the theme of substantiating personal security online.

The dates of the hackathon are from February 20-21, and it will be taking place virtually with no cost.

Registration is open at: <https://mini.xdhacks.com/vancouver/#about>

Are you considering Software Engineering? Do you know about the program at TRU? We have an exciting 2 minute video for Grade 11 and Grade 12 students presented by one of our current final year students in the BEng in Software Engineering Program at TRU! Lorelei highlights her discovery of Software Engineering, her successful COOP experience, the NEW PHYSICS 11 requirements and the benefits of the program at TRU. Combined, all these experiences have helped shaped her engineering career so she can make today's world a better tomorrow!

- **Video Link:** <https://youtu.be/SIR-gJMMOF0>
- Applications are currently open and there are limited seats so students **MUST APPLY NOW!** to secure a spot in the program
- Students can click here to: [APPLY NOW](#)

GRADE 10 FAMILY NIGHT

If you're in Grade 10 and planning to attend university, you and your parents are invited to this online event to learn what you can do now to prepare.

Speakers will provide an overview of university and tips on how to choose a program of study. The information will be helpful regardless of which universities or programs interest you and will not focus on Waterloo's faculties and academic programs.

- **February 18, 2021
6 to 7:30 p.m. (Eastern Standard Time/EST)**
- **We will send you details about how to participate once you [register](#).**
- **Learn about**
- **Studying what you love at university**
- **Admissions and applying**
- **Financing your education**
- **The student experience (by current Waterloo students)**

Hey Grade 11 and 12s – are you interested in being part of a pilot project involving business skills and film?

- We are looking for business-minded students (those who might be tracking for business school after graduation preferred) to be part of an innovative SFU Beedie project involving budgeting, marketing and management skills.
- The *Lights, Camera, Action! Innovation Simulation* is an online educational simulation that enables participants to experience the exciting challenges of a multidisciplinary innovation process in a consequence-free learning environment.
- During *Lights, Camera, Action!*, teams of 6-7 students work together as independent film studios to create a 2-minute trailer for release at the end-of-simulation Toronto International Film Festival (TIFF) Showcase. Participants take on a variety of **managerial and creative roles** to **identify and analyze market needs**; identify and cast appropriate star talent; select filming locations; **manage a budget and financial forecasts**; and **create a compelling movie trailer** for viewing at the end of simulation TIFF Showcase.

If you think this sounds like your skill set, please see Mr. Sather ASAP. He will be collecting names to form teams of 7. Expected date for this ALL DAY event is March 6 or 7. Need more information? See Ms. Butler in the career centre.

Business Case Study and Pitch Competitions

- There are several business case study contests in the near future.
- Improve your knowledge, skills and network
- Set yourself apart from other business school applicants
- Ideal for grade 10s and 11s who will be applying for post-secondary Business studies
- You don't have to be a current business student to participate.
- **See Mr. Sather in 301 for details**

SFU

IN 2020, TECHNOLOGY HAS BEEN ARGUABLY MORE IMPORTANT THAN EVER, AND WE ARE LOOKING TO INTRODUCE THE FIELD OF APPLIED SCIENCES TO NEW INDIVIDUALS.

Live Life.
Pass It On.
\$1000
Scholarship
BC Transplant

Wednesday, April 7, 2021

What is
Green Shirt
Day?

“ LIVE LIFE. PASS IT ON. ”
\$1000 SCHOLARSHIP
BC TRANSPLANT
Provincial Health Services Authority

This year, BC Transplant will award two \$1000 scholarships to Grade 12 students who lead an organ donation awareness project in their school or community in the 20/21 school year.

You could organize your whole school to participate in Green Shirt Day on April 7, start a social media challenge or host an organ donor registration drive in your school.

You'll need to submit a 500-word essay or short video to showcase your project.

Deadline to apply is May 3, 2021.
For more details, visit www.transplant.bc.ca

WHAT CAN YOU DO?

Show up In Green!

Get your friends, school and family to participate on April 7 by wearing a green shirt or a jersey to honour Logan's legacy of selfless giving.

Talk to your teachers, principal or headmaster about getting your school involved. Contact us to let us know who you are, which school you attend, and what you will be doing to show your support for Green Shirt Day!

Join the Social Movement

Share your photos of support for organ donation and transplantation in BC by tagging us on your social media:

- @BCTransplant
- @BC_Transplant
- @bc_transplant

Start a Challenge

Organize a social media campaign or registration drive at your school.

- If 25 students get 25 people to register as an organ donor – ask your principal or teacher to dye their hair green!
- If 50 students get 50 people to register as an organ donor – ask your principal or teacher to wear green man suits and do a dance at the assembly!

Fun Ideas (be creative!)

- Students and teachers wear green socks/green temporary tattoos/green headband
- Ask a transplant recipient to give a virtual speech
- People can also take home a registration form or have conversations about organ donation

One donor can save up to eight lives.
#TAKETWOMINUTES

WEDNESDAY APRIL 7, 2021

WHAT IS GREEN SHIRT DAY?

GET STARTED NOW BY TALKING TO YOUR TEACHER, VISITING OUR WEBSITE OR CONTACTING US FOR A CAMPAIGN KIT!

Educator toolkits are also available at transplant.bc.ca

Logan Boulet, a 21-year old hockey player, did not survive the tragic Humboldt Broncos bus crash that killed 16 people in 2018. Logan registered as an organ donor just weeks before the accident and had spoken to his father about his wishes a year before. Logan was able to save six people's lives through his organ donation.

#LOGAN BOULET EFFECT

As news spread of Logan's selfless act, thousands across the country and world were inspired to register as organ donors. This became known as the "Logan Boulet Effect". To mark the day Logan Boulet became an organ donor, the Boulet family launched Green Shirt Day on April 7 of every year.

Summer STEM Institute

Making research and mentorship accessible to high school students.

The Summer STEM Institute (SSI) is a 6-week virtual summer program from **June 20 to August 1, 2021**. SSI is an international program that provides academically talented and highly motivated students the opportunity to learn through a data science and research bootcamp, a Masterclass lecture series, weekend challenges, and a mentored research project.

- **Bootcamp:** learn how to design and conduct a data science research project.
- Pursuing research in high school is difficult. Many students are scientifically curious and are eager to conduct research but often lack the right training to do so. The SSI Bootcamp empowers motivated high school students with the training to conduct data science research projects.
- The Summer STEM Institute (SSI) program was started last summer by educators, students, and graduates from Stanford, Harvard, and MIT. Last year, SSI received over 2,450 applications from students in 78 different countries.

Many students who attended the program said SSI changed their lives and asked for the team to continue running SSI in future years. Applications for SSI 2021 have just opened.

The program consists of three main parts:

- **Research and data science bootcamp:** Students learn how to design and conduct data science research projects. Students learn about the research process and how to apply statistical and machine learning methods to address scientific questions with real-world impact.
- **Masterclass lecture series:** Students are connected to accomplished young adults around the world. Students have the opportunity to learn about entrepreneurship from Forbes 30 Under 30 recipients, science research from International Science and Engineering Fair (ISEF) grand prize winners, and other topics from speakers with diverse backgrounds and experiences.
- **Mentored research project:** Students complete a research project through a rigorous, hands-on learning experience under the guidance of mentors. Previously, students have worked in a variety of fields, from computational biology to quantum physics.

Students and families can learn more about SSI and apply on our website here: <https://www.summersteminstitute.org/> and here:

<https://www.summersteminstitute.org/admissions>

Calling all high school students!

Volunteer Opportunity!

Are you looking for a meaningful way to engage your students with an impactful COVID-safe volunteer opportunity? Do you have 5-minutes to narrate a digital storybook that will support over 50,000 learners around the world, including 37,000 learners in underserved and refugee communities?

Hello! My name is Emily and I work with Simbi Foundation, a UN-partnered nonprofit that collaborates with schools around the world to meet their education needs with solar-powered & research-driven solutions. So far, we have directly supported over 37,000 learners in refugee settlements and remote areas of Uganda and India with our BrightBox solar-powered classrooms, learning resources, and Simbi reading software and we need your help!

We would like to invite you to participate in our #GiftYourVoice Read-a-Thon. Can we join together to read 1,000 books during the month of December to support over 50,000 learners in 64 countries on their reading journeys?

All participating students will receive a signed volunteer certificate for their time spent reading! Click the magic link to join the group here:
<https://read.simbi.io/TjYzaWlxc1hqbA-->

You can find all the resources you need [right here](#) on our website, including a starter video that runs you through how to “gift” your voice to make an impact!

We have English and French books that need narrations.

VOLUNTEER OPPORTUNITY

Looking for Snow Angels

- The Snow Angels program is actively recruiting volunteers for the winter season. We are looking for volunteers to assist individuals in our community who are unable to clear snow from the city sidewalks due to physical disabilities or restrictions. This is an on call position for volunteers until March 31; weather dependent.

To Be a Snow Angel you must:

- Be 16 years of age or older;
- Live within close proximity of the participants houses; you can sign up for addresses that are close to you from the volunteer database;
- Clear snow from your matched city sidewalk(s) within 10 hours of the cessation (stop) of any snowfall that caused any accumulation of snow or ice on any city sidewalk
- Complete the snow shoveling before 7:30 pm (not to shovel in the dark)
- Be in adequate physical condition and capable of clearing snow
- Shovel, safety vest, toque and scarf are provided! (if needed)

Commitment: 1-2 homes per individual for the winter season; which is typically from mid-November to the end of March.

Sasamat Outdoor Centre Youth Leadership Program

January – April for High School Students

Sasamat Outdoor Centre Youth Leadership Program

January – April for High School Students

With over 30 years of community leadership programming, Sasamat outdoor centre has a fun and engaging curriculum.

- 4 month long program includes:
- Weekly 2 hour (online) lessons
 - Experienced leadership staff and facilitators
 - Hands on learning and weekend events
 - Leadership Certification

- Covid safety and risk management
- Rigorous cleaning routine and risk management practices
 - We follow the most up to date guidelines provided by health officials
 - We have seen success with our safety practices throughout our summer and weekend day camp programs.

Weekend events hosted at Sasamat Outdoor Centre!

- Weekend events hosted on 6 acres of outdoor space
- Overnights include individual rooms and cabins (with options for up to two people upon request)
- Weekend outdoor day trips like snow shoeing, hiking, and canoeing!

Registration is now open!

For details or to register check out www.Sasamat.org or give us a call at 604 939 2268

Science Connecting Youth

Interested in science and medicine but still not sure which specialty to pursue?

We feature undergraduate/graduate students and working professionals on our platform where you can ask questions about their experiences in science and medicine!

Check out [@scyvancouver](#) on Instagram or [our website](#) to learn more about what opportunities are out there for you!
