CAREER CENTER

Rotman Commerce UNIVERSITY OF TORONTO

- We're delighted to invite your school to participate in The Boardroom, Rotman Commerce's High School Business Case Competition. Open to students in grades 9 through 11, the Boardroom is a team-based competition that challenges participants to work together on a business idea. Each team will be comprised of four individuals and can be a mix of students from different grades but all must be from the same school. No prior business knowledge or experience is required.

This year, we are offering over \$1,000 in prizes to teams who use teamwork, creativity, and analytical skills to propose a solution to key challenges in an area of business. There are two rounds of competition. Finalists of the first written round will be invited to compete in the final two presentation rounds online in October. The finalists will present to The Boardroom – a panel of judges – and have the opportunity to learn from highly regarded business professionals.

- **This year's case is accessible upon each team's registration. Students will have until May 31, 2021 to register and submit their proposals. We will not accept additional registrations or submissions after this deadline.**

Twelve teams will be invited to compete round 2, which will be held virtually on Saturday, October 16, 2021. Finalists will present to our alumni judges over video conference. All finalists will receive certificates of recognition and a chance to speak with current students, alumni and industry professionals.

The top three teams will receive gift cards and special certificates of excellence. Each member of the first-place team will be eligible for a \$2,500 award toward first-year Rotman Commerce tuition. To claim the award, students must receive and accept an offer of admission from Rotman Commerce and register in our program once they are eligible for university.

We strongly encourage students to form teams with a variety of strengths and perspectives, as our judges value diligent problem-solving with original thinking and innovative solutions. To register, and to find full competition rules and FAQs, please visit <https://uoft.me/theboardroom2021>. Questions may be emailed to mark.berkovich@utoronto.ca.

WHAT MAKES A GOOD SIDE-HUSTLE?

A Zoom-based entrepreneurship workshop exclusively for grade 10 & 11 students, by UVIC's Gustavson School of Business

- Side-hustles are micro businesses you can run out of your home to make some money
- How do you know if you have a good idea for a side-hustle business?
- Learn from UVIC, TV and industry experts how to evaluate side-hustles and other new business ideas
- Consider applying what you learn in the session in your own side-hustle this summer

See what a university entrepreneurship class is like and learn why you might want to consider UVIC's Gustavson School of Business.

This free entrepreneurship workshop for grade 10 and 11 students allows attendees to test drive what it's like to be in a UVIC Business classroom. This workshop is being led by entrepreneurship faculty members Brock Smith and Claudia Smith, and will give you a taste of Gustavson and entrepreneurship through a fun and engaging session.

This workshop is a good fit if one or more of these apply to you:

- You are in grade 10 or 11
- You've seen some neat ideas on TikTok or Instagram and wonder about doing something similar
- You want to learn some entrepreneurial skills, or about business in general
- You are interested in what a university class might be like
- You and your friends want to make some money this summer with an idea of your own

The workshop will be delivered on Zoom, and there are two dates to choose from:

[Click here to register for Tuesday, May 25th from 6pm – 7pm](#)

[Click here to register for Thursday, May 27th from 6pm – 7pm](#)

VOLUNTEER

Ocean Wise is proud to announce that applications are open for our 2021 [YouthToSea Leadership Program](#)! If you need volunteer or work experience hours, this opportunity might be right for you.

The program is designed to offer youth (15-18 years old) an opportunity to build their personal leadership, problem-solving and life skills. Youth in the program will participate in outdoor excursions, skills building workshops and will create their own ocean service project. Youth who join the program will expand their social networks, increase their marine conservation knowledge, connect with their community, and gain employment skills.

A full program description including application details and FAQ's can be found here: <https://education.ocean.org/youthtosea/assignments/folder/1527>

- YouthToSea 2021 will run from June 2021 – March 2022 and is supported by the Government of Canada through the Canada Service Corps initiative, all training, certifications, and retreats are fully funded, **and there are no costs for participants.**
- Youth that complete the Leadership Program will receive:
 - 120+ hours of volunteer service
 - Access to Ocean Wise mentorship, resources, and grant funding
 - A 3-day, 2-night immersive learning journey
 - Opportunity to take part in several outdoor excursions (ex. Kayaking, Sailing, Snowshoeing)
 - Skill building workshops to help with resume building and employment skills
 - Valuable work experience and professional contacts
- We are closely following all COVID-19 developments and the YouthToSea Program is built to work within pandemic measures. However, please be aware there may be a change in dates and opportunities for this program as the provincial and national pandemic response changes.

General inquiries from students and parents can be sent to youth@ocean.org. To apply, students can fill out the form found here: <https://education.ocean.org/youthtosea/assignments/folder/2929>

*****APPLICATION DEADLINE: MAY 12th, 2021*****

Are you considering a career in Interior Design? Join us at one of these info sessions to learn about the many options!

- The Interior Design Department at BCIT offers an Interior Design Fundamentals **Certificate**, Kitchen and Bath Design **Associate Certificate** (NKBA Certified), Residential Interiors **Diploma**, Interior Design **Diploma**, and a CIDA accredited **Bachelor of Interior Design**. All Interior Design Programs start with the Interior Design Fundamentals Certificate (Year 1).
- The Interior Design Fundamentals Certificate program is offered in both a part-time and full-time format. The **part-time** format allows students flexibility in the number of courses they take in any given term. All courses are offered in September, January and April, with limited offerings in the summer. Courses can be taken with classes in the day, in the evenings, or at weekends. The **full-time** format is a competitive entry process. Students have a reserved seat as they follow a fixed schedule of courses delivered during the day over three consecutive terms (eleven months), starting in September each year.
- **Application dates for the full-time format for September 2021 are from April 15th to May 17th, 2021 only.***
- *For future years, please check the website for application dates.
- For more information, please register for an info session below, and visit the BCIT Interior Design Website [Interior Design Fundamentals, Certificate, Full-time/Part-time – BCIT](#)

Get a head start at university with the UBC Future Global Leaders program

Are you looking to challenge yourself academically, or boost yourself towards your academic goals? The [UBC Future Global Leaders](#) program is designed for you. For three weeks, learn from top UBC professors as you delve deeper into your academic interests, and discover what teaching is like at the first-year level at a top-tier university. It's a great way to figure out what your passions are while you're still in high school, and prepare yourself for success at university and beyond.

What can you study?

- You can choose from seven engaging academic courses, all taught by UBC instructors. This year, you'll take your courses online. You'll have the chance to meet other students from around the world as you attend your live virtual classes from Monday to Friday.

Who can take part?

- To register for a UBC Future Global Leaders course, you must be 15 to 18 years old and have completed Grade 10 or equivalent. We suggest that you have a grade point average of 78% or letter grade B or higher, or a minimum IB final grade of 5. You don't need to submit any transcripts to register.
- If you want to register for an academic course and English is not your first language, we recommend an IELTS (International English Language Testing System) score of 6.0 or equivalent, or TOEFL (Test of English as a Foreign Language) Internet-based score of 80 or equivalent. You don't need to provide your scores, and can self-assess your own levels.

Registration is now open

- No application, transcripts, or proof of English is required. Just check your eligibility, and [register for the courses](#) you're interested in!

Course dates:

- Option one: Monday, July 5 – Sunday, July 25
- Option two: Monday, July 26 – Sunday, August 15

This Summer Do Something Different

The YMCA Summer Work Student Exchange is a national exchange program, funded by the Department of Canadian Heritage, offering 16 and 17-year-old youth the opportunity to experience another community, second official language, and culture.

For six weeks in July and August, participants travel to a community in a different part of the country where their second official language is spoken. They live with a host family, work at a full-time paid job at a local non-profit

and participate in group activities all while supported by a YMCA Local Coordinator.

Youth, adults and non-profits are able to benefit from the program as participants, hosts or employers.

To keep everyone as safe as possible during the current pandemic, we will be following the direction of government and local health authorities regarding travel and other health protocols.

ATLAS Virtual Tour

April 23, 9AM Pacific Time

It's time once again for the ATLAS Particle Physics Masterclass. [Registration is now open on eventbrite](#). This event has moved online and will now be held over a half day. Activities have been expanded to include a virtual tour of the world's largest particle detector at CERN, the ATLAS experiment.

Intended for grade 11 and 12 students, those who enroll in Saturday's masterclass will receive an invite to Friday's tour. This event will be recorded and shared more generally following the event.

During the half-day online event every student will have the opportunity to:

- Learn about research topics and methods that are fundamental to particle physics
- Analyze measurements on real data from the ATLAS particle physics experiment at CERN
- Network with other high school students and researchers to discuss results

TRIUMF has partnered with *Simon Fraser University*, the *University of British Columbia* and the *University of Victoria* to bring the Particle Physics Masterclass experience to high school students in BC. Visit the [TRIUMF.ca website](#) for further details and student preparatory materials for this event.

Space is currently limited to the first 30 students who register. Follow @triumflab social media, or bookmark [triumf.ca](#) to keep up with regular updates on registration status.

What is SOYL?

SOYL is a 6-week summer leadership and empowerment program offered by Fresh Roots in partnership with school districts. We run SOYL in three different locations:

- SOYL @ Vancouver.
- SOYL @ Suwa'ikh (Coquitlam).
- SOYL @ Farm Roots (Delta). *Those applicants accepted to SOYL will then be enrolled in Delta School District's Summer School Registration.*
- The program empowers secondary students to cultivate and steward schoolyard farms for learning, community building and growing Good Food for All. Through their time with SOYL, youth develop skills in growing, cooking, and selling food, as well as a greater connection to themselves, their community, and the regional food system. Youth also receive a stipend and can receive school credit for their contributions.

Clean Energy BC Student Scholarship 2021

Clean Energy BC (CEBC) is pleased to be offering a student scholarship of \$1,000. The scholarship is available for students who are interested in pursuing a future in clean energy at a post-secondary institution.

Eligibility

Must be a BC secondary student (full-time, currently enrolled) that is graduating in 2021.

Application Materials

- Applicants must submit a 1-2 page paper (approximately 500 words) responding to the following question:

“Why is clean energy important to me as a young person in BC?”

Please cite any relevant experience with projects, volunteering, or community work, and indicate any future plans for involvement. Be sure to indicate the post-secondary institutions you have applied to, as well as any acceptances you have received!

- Applicants must additionally provide one letter of reference (must not be a relative). This could be from a teacher, a community representative, a religious/spiritual teacher, or a coach. The reference letter should speak to your character as a person.
- Please do not forget to provide your contact information – address, phone number, and e-mail.

Deadline: Thursday, May 20th, 2021

Please submit your application by email to: lisa.bateman@cleanenergybc.org

Please note that all decisions of CEBC’s Awards Committee are final. The winner will be notified in early June 2021.

CEBC is a registered non-profit society in BC and represents the interests of its members who are developers/operators of projects in wind, solar, hydro, and biomass, and supply chain companies that provide legal, engineering, construction, and environmental services.

Health Care Access Program: Job Opportunity after graduation

COVID-19 has increased the need for additional staff in long-term care and assisted living services. Typically, these positions require prior experience and education. The Health Career Access Program provides a path for applicants with no health care experience to get hired and receive on-the-job training.

How to get your career started

- COVID-19 has increased the need for health care assistants in long-term care and assisted living services.
- Normally, to become a health care assistant, you must complete six to eight months of post-secondary education at your own expense before you can apply for a position.
- Through the Health Career Access Program, the Province will pay for your post-secondary education.

New hires in the program start in a health care support worker position and receive paid training that leads to full qualification as a health care assistant.

Please note: All successful program applicants must start as a health care support worker before advancing to a health care assistant position.

Health care support worker

- Health care support workers are supervised by registered nurses or other regulated health care professionals. They provide a variety of critical non-clinical, non-direct care supports to patients and residents.
- Typical duties include:
 - Participating as an integral member of a healthcare delivery team
 - Establishing a caring relationship with clients, residents and families
 - Providing support and assistance with mealtime activities
 - Providing support and assistance in carrying out activities
 - Performing housekeeping duties
 - Greeting and directing visitors
 - Restocking supplies
 - Completing and maintaining relevant records
- Health care support workers earn \$20.95 an hour.

Join the Health Career Access Program For more information visit: <https://www2.gov.bc.ca/gov/content/economic-recovery/work-in-health-care>

ERA's 2nd Scholarship Competition

- – Win up to \$10,000

Are you eligible?

- Must be a full -time/part-time student in Canada. For those participants which are outside our operating areas (Vancouver, Calgary, Edmonton, Saskatoon, Winnipeg, Toronto, and Montreal) there will be adjusted requirements. See FAQ below.

Why is ERA holding this competition?

- ERA likes to get the community involved in many ways throughout the year. This competition gives students the opportunity to gain experience, build their resume, and if they are motivated enough to win this scholarship, would be a great help financially with schooling.

What are we looking for?

- We need you to come up with a marketing plan and host an e-waste collection event in your area. You will manage every detail of this event from the planning and promoting to the execution! We want to see how creative students can get with marketing the event and reaching out to your community and local businesses to ensure the event is well attended. How will you implement your ideas to raise awareness and get your networks involved? After you have followed through with the event, the team at ERA will evaluate your work after the deadline and pick the winner!

What items do we accept?

- Cell phones, tablets, laptops, computers, servers, monitors, networking equipment, gaming consoles and similar electronics. **No household or personal electronics

This competition will start on February 1st and runs until July 31st, 2021. For more information and to enter please visit: <https://www.electronicrecyclingassociation.ca/2021-era-scholarship/>

BCIT Entrance Awards

BCIT is pleased to announce that the following Entrance Awards are available to students who are planning to attend our institute commencing *April 1, 2021 to March 31, 2022*.

Up to 25 BCIT President's Entrance Awards, available only to current High School students

- Valued up to \$4,000 each.
- **Deadline: August 5, 2021**

Over 100 additional BCIT Entrance Awards

- Valued up to \$6,000 each.
- **Deadlines: August 5, 2021 and/or January 6, 2022**

Summer STEM Institute

Making research and mentorship accessible to high school students.

The Summer STEM Institute (SSI) is a 6-week virtual summer program from **June 20 to August 1, 2021**. SSI is an international program that provides academically talented and highly motivated students the opportunity to learn through a data science and research bootcamp, a Masterclass lecture series, weekend challenges, and a mentored research project.

- **Bootcamp:** learn how to design and conduct a data science research project.
- Pursuing research in high school is difficult. Many students are scientifically curious and are eager to conduct research but often lack the right training to do so. The SSI Bootcamp empowers motivated high school students with the training to conduct data science research projects.
- The Summer STEM Institute (SSI) program was started last summer by educators, students, and graduates from Stanford, Harvard, and MIT. Last year, SSI received over 2,450 applications from students in 78 different countries.

Many students who attended the program said SSI changed their lives and asked for the team to continue running SSI in future years. Applications for SSI 2021 have just opened.

The program consists of three main parts:

- **Research and data science bootcamp:** Students learn how to design and conduct data science research projects. Students learn about the research process and how to apply statistical and machine learning methods to address scientific questions with real-world impact.
- **Masterclass lecture series:** Students are connected to accomplished young adults around the world. Students have the opportunity to learn about entrepreneurship from Forbes 30 Under 30 recipients, science research from International Science and Engineering Fair (ISEF) grand prize winners, and other topics from speakers with diverse backgrounds and experiences.
- **Mentored research project:** Students complete a research project through a rigorous, hands-on learning experience under the guidance of mentors. Previously, students have worked in a variety of fields, from computational biology to quantum physics.
