SLC

About SLC?

SLC is SD43's Student Leadership Council! SLC is a way for students and their schools to get involved in district-wide initiatives, have their voices heard, and expand their skills as a leader. SLC is an opportunity for students to work with likeminded individuals from all over the district, along with the Board of Education. This year the theme is "Connection", which is important as these last few months it has been difficult to stay connected with one another. There will also be a student conference and an opportunity to receive funding through the student initiative fund.

Join by emailing Ms. Bell at jbelle@sd43.bc.ca or your school's leadership club organizer!
